what do americans truly want in a novel what would it look like if their preferences and aversions materialized in book form in people s choice literature tom comitta has taken up this challenge writing two groundbreaking novels based on a nationwide poll about literary taste one featuring the story elements americans most desire and another containing everything americans despise the most wanted novel is a fast paced thriller evoking page turners by dan brown david baldacci and janet evanovich it follows a california woman pulled into a tech tycoon s apocalyptic ambitions after her brother s kidnapping teaming up with a hunky fbi agent with a tragic past the most unwanted novel is a genre bending doorstopper an epistolary christmas novel set on a near future mars where elderly aristocratic tennis players scour the globe for lost love venturing from the coldest of arctic wastelands to the darkest caverns of the macabre variously recalling kathy acker césar aira and philip k dick it features sentient robots talking animals and a hundred page collection of horror stories people s choice literature is inspired by the artists komar and melamid who created two now infamous paintings based on opinion polling a similar experiment by dave soldier produced the most wanted song and the most unwanted song comitta has adapted these methods to fiction drawing on readers preferences about everything from genre to verb tense to characters identity and incorporating machine learning data and passages written in collaboration with a large

language model audacious and shockingly entertaining people's choice literature also asks big questions about taste authorship and the notion of good writing

chances are if you're a target of Billy Summers two immutable truths apply you'll never even know what hit you and you're really getting what you deserve he's a killer for hire and the best in the business but he'll do the job only if the assignment is a truly bad person but now time is catching up with him and Billy wants out before he can do that though there's one last hit which promises a generous payday at the end of the line even as things don't seem quite on the level here given that Billy is among the most talented snipers in the world a decorated Iraq war vet and a virtual Houdini when it comes to vanishing after the job is done what could possibly go wrong how about everything part war story and part love letter to small town America and the people who live there this spectacular thriller of luck fate and love will grip readers with its electrifying narrative as a complex antihero with one last shot at redemption must avenge the crimes of an extraordinarily evil man back cover

this book aims to contribute to our knowledge of Turkish sign language (TİD) and sign language linguistics in general TİD is a relatively old signed language and is at present believed to be historically unrelated to other signed languages linguistic studies on this language started in the early 2000s there has been growing academic interest and an increasing body of work on TİD within the past decade enhancing the need for this book which brings together chapters covering a variety of topics such as the history of deaf education and TİD issues regarding language documentation a phonological study of fingerspelling reciprocals interrogatives reported utterances expressions of spatial relations including their acquisitions and expressions of multiple entities this book was supported in part by the TÜBİTAK research fund project no 111K314 this edited volume serves as a useful resource for newcomers to the field gives new momentum to future research on TİD and offers unique perspectives in investigating sign languages in general finally the intention is that the conversations within this volume will open up new discussions not only within sign linguistics but also in other related fields such as cognitive science
