heaven is my destination but it is not my destiny many will reach their destination but few will achieve their destiny prophetic
parable matures into prophetic reality as his presence draws us into the realm of all god here what we believe becomes what
we experience and what we know becomes flesh in mere mortal man when we leave egypt we leave the bondage we hate but
when we leave the wilderness we must leave the sin we crave but he will not condemn what he has redeemed his blood covers
us until his power delivers us this book is not for the casual reader it is for those who hunger not for education but for reality not
for religion but for him the world awaits the love of a people who know they are forgiven

taking the findings of behavioral economics from the cocktail party to the boardroom experimental economist kay yut chen leads an economics lab at hewlett packard the first of its kind at any company his groundbreaking research into human behavior has turned into tangible results for hp he has saved the company millions of dollars simply by explaining why people really do the things they do moneylab offers practical lessons being put to use right now at hp and other leading companies it explains for instance how to use incentives to influence employees suppliers and buyers determine whom to trust and how much reduce the negative effects of irrational behavior by noticing patterns that don't seem logical take advantage of the human tendency to game the system in the spirit of predictably irrational but with a more practical approach chen shows how to translate the findings of behavioral economics into concrete actions to achieve new levels of success
