arthur wallis offers this balanced study on fasting and seeks to give to the subject the weight that scripture gives it while also avoiding exaggeration and over emphasis this book includes a biblical index and an appendix dealing with the textual problems surrounding four references to fasting in the new testament

you're blessed when you've worked up a good appetite for God. Matthew 5:6 the message we live in hungry times. Ours is a consumer culture predisposed to quickly fill the cravings of body and mind. The idea of fasting, the voluntary denial of something for a specific time for a spiritual purpose, sets us immediately on edge. But Lynne Baab makes the case that anyone can fast. Fasting is an expression of freedom, free from the patterns and habits that mark everyday life. From time to time we can move beyond our appetites into meaningful encounter with God. In fasting, you'll discover an ancient Christian practice that extends beyond giving up food to any regular activity in our contemporary lives. You'll see how taking a break from eating or driving or checking e-mail or watching television opens us up to discover new things about ourselves and God and the world around us. You'll see that while not everyone should forgo food, anyone can step out of routine to feed the soul in a time of great spiritual hunger. God invites us all to a feast, fellowship with the creator of the universe where all our truest needs are identified and attended to.

This book discusses in depth some twelve doctrines that need to be removed from current rituals, hymns, and confessions of faith, giving scriptural references to support the removal. Further, the damage these old doctrines have and are doing to society is presented according to the author. The dogmas need to be removed so the church that many of us knew as children and growing up can return to be effective in helping solve some of the major crises facing this world: the economy and the great financial difference between the rich and poor, the issue of war as a way to solve world problems, and environmental issues facing the planet. For people who see Christianity being stolen by the Christian right, who still consider themselves Christian, who believe in the message of Jesus, and/or who feel a loyalty to the church, they remember this book is crucial reading to taking Christianity back.

Spiritual disciplines connect us to the God who wants to transform our souls. We discover these time-tested practices in the Bible as we look at the everyday ways Jesus related to God. These companion studies and exercises will help you to explore sixteen core practices, three segments on each practice, a total of forty-eight sessions. Allow space to go beyond superficial understanding and to begin to live in a new way. Jan Johnson, a seasoned writer in both the areas of spiritual formation and Bible study, has created a unique mix of inductive Bible study, guided meditation, and transformational exercises spanning all the styles of learning and offering something for everyone. You can use this book effectively on your own or with a group. Discover what it means to live in the grace
