 truths on end time scenarios that make a gripping read its a sobering reminder of the tragedies
 and triumph of the days coming to planet earth dr jim henry pastor emeritus first baptist orlando
 president southern baptist convention 1994 1996 an ancient prophecy foretells of jesus returning
 to earth and setting up his kingdom when a man suddenly appears in jerusalem and proceeds to
 conquer the nations of the world in one epic battle people question if this was he some claimed
 the man was actually an alien and used advanced technology to win the fight others claimed he
 was indeed jesus and that his appearance was the fulfillment of the ancient prophecy either way
 he established his rule over the nations of the earth and people began calling his kingdom the
 seventh empire what would the world be like under his reign the new ruler named jerusalem as
 his capital and built the city into one the likes of which the world had never seen before under his
 administration mankind enjoyed unheard of peace and prosperity advances in medicine led to a
 tenfold increase in peoples lifespans and the virtual elimination of sickness and disease

breakthroughs in science opened up new worlds and man began to explore space again for nearly a thousand years all seemed good but what was life really like in this millennial kingdom some were not satisfied and began to think of rebellion how would the rebellion end and what would mankind's fate now be was there to be another war another empire or would the seventh empire and its leader survive
