this book illustrates how white nationalism emerged and maintained itself as a global movement in the years after the second world war contending that its international scope was made possible by a network of individuals and groups who depended on media to communicate with each other

see

a comparative ethnography in two high schools one urban and one suburban that studies the differing notions of whiteness and race that predominate among students at each

school

investigates the appropriation of black popular culture as a symbol of rebellion in postwar germany

this book shows how during the 20th century evils such as totalitarianism tyranny war and genocide became indelibly linked to the fascist cause and examines the enduring and popular appeal of an ideology that has counted princes poets and war heroes among its most fervent adherents from the followers of hajj amin al husseini the arab leader who met with adolf hitler in november 1942 to the murderous death squads of the croatian ustasha to certain members of the british establishment fascism s heady brew of extreme nationalism and revolutionary violence has attracted followers from across all religions races and classes now widely reviled fascism became an immensely powerful political force in western europe throughout the 1930s and into the 1940s how did civilized nations like italy germany austria and others succumb to an ideology now regarded by the political mainstream as barbarous and beyond the pale world fascism a historical encyclopedia covers all the key personalities and movements throughout the history of fascism and brings to light some of the ideology s lesser known aspects from hindu extremists in india to the influential role of certain women in fascist movements how did an ideology which was openly boastful of its belief in violence come to seduce the elites of some of the most civilized nations on earth what can explain fascism s enduring appeal
