the problem this project attempts to solve is to develop a workable moral education in light of the clash between religious forms of moral education and u s supreme court decisions concerning them the concept of story and storytelling has been suggested as a unifying focus for disparate prescriptions for moral education several recent approaches to moral storytelling have been proposed the approaches of william bennett nel noddings and herbert kohl are among those which have attempted to combine moral education and storytelling within the last decade bennett is identified with other theorists whose primary concern is the moral content of a story noddings is identified as a process theorist whose primary concern is the process of moral storytelling not the content kohl is identified as a reflection theorist whose approach challenges tradition in the hope of creating a more moral society each one of these three approaches attempts to provide a comprehensive program of moral education but they fall short of that goal the purpose of this project then is to construct a storytelling moral education program that improves upon earlier approaches using the three levels of moral thinking posited by r m hare a three level approach to moral storytelling is proposed the intuitive critical and meta ethical levels of moral thinking that hare refers to are used to frame a new three level approach to moral storytelling the three level approach combines content process and reflection into a unified prescription for moral education thus a more comprehensive plan for moral education through storytelling is developed one that respects traditional forms of moral education while remaining within the parameters set by the u s supreme court

the heart of the story lifted my chin time and time again reminding me to reckon god s promises with my problems a masterful book susie larson talk radio host national speaker and author of waking up to the goodness of god the heart of the story will

help you see god s word in a new and inspiring light in the bible s seemingly disconnected stories you ll discover one grand unfolding epic god s story from genesis onward and your own life story contained within it to understand the bible says author and pastor randy frazee you need bifocal lenses because two perspectives are involved the lower story our story is actually many stories of men and women interacting with god in the daily course of life the upper story is god s story the tale of his great overarching purpose that fits all the individual stories together like panels in one unified mural in this new edition randy dives deeper in the upper and lower stories and shows how both perspectives will open your eyes to the richness and relevance of the bible illuminating god s master plan from genesis to our daily lives the heart of the story will encourage you to experience the joy that comes from aligning your stories with god s what randy frazee has done in the heart of the story is to masterfully weave together from the pages of scripture the grand story of god and he tells us the story in a way that not only gets at god s heart but gets to our hearts as well if you want to get drawn into a really compelling story that promises to change your life forever read the heart of the story mark batterson new york times bestselling author of a million little miracles

the art of crafting short stories a guide to writing and publishing is a comprehensive guide for writers of all levels the book covers everything from understanding the short story genre and developing characters and plot to creating a compelling setting and using point of view to engage readers it also includes chapters on writing dialogue that brings characters to life building suspense and tension crafting a satisfying conclusion revising and editing your story and submitting and publishing your work the book also includes an additional chapter on marketing and promoting your short stories this book is an essential guide for anyone looking to improve their short story writing skills and get their work published it is easy to read and it provides practical advice and examples for writers of all levels

books have long been objects of beauty for many centuries and in societies across the world bookmakers have lavished great care on the paper binding materials and illustrations that surround the words on a page as well as on the lettering or type in

which those words appear this volume featuring an array of beautiful books from the british library s collection focuses on the sensory experience of holding these objects in your hands each book represents a specific moment in the development of the object from scrolls and bound illuminated manuscripts to paperbacks and formatted digital information the books range from the seventh century to the present and include examples from china japan southeast asia and the middle east as well as europe and north america with separate features on book traditions in africa and oceania expert curators and other specialists explore these books from the perspective of design and manufacturing with original art photographs that zero in on their texture and materials as well as graphics that detail their size number of folios and other specifications offering a wide ranging look at the creation and use of books this volume is itself an object of beauty

tom taylor is more than just the son of one of the world s most popular authors and the namesake of his most beloved creation the boy wizard tommy taylor he s a living weapon in a literal war of words in which a shadowy cabal uses the power of storytelling itself to shape the world according to their own dark designs and he was born and bred to close the book on them forever but now his own story is headed for its most dangerous twist yet a real whale of a tale in order to harness his extraordinary powers tom must sail the seas of one of the greatest stories ever told and hunt the white whale that has left countless stories of myth and madness in its wake meanwhile his friends are hunted by a dangerous new enemy and facing identity crises of their own will tom s voyage lead them all to the answer they seek or will he drown in the depths of a thousand and one unhappy endings acclaimed storytellers mike carey and peter gross delve deeper than ever before into their frightening fascinating world collects the unwritten 19 24
