r j urquhart provides the first systematic description of the ceremonial of the sarum mass in

500 years using a variety of sources and tracing the sarum rite and its occasional use from the act of supremacy through to modern times urquhart has compiled a volume that offers the best possible reconstruction and overview of these profoundly beautiful rites from the liturgical treasury of the church urquhart considers sarum in the light of pope benedict xvi s groundbreaking apostolic constitution *anglicanorum coetibus* and how this has reopened the question of the catholicity of part of the anglican patrimony he also considers the impact of pope benedict s *summorum pontificum* and its proposition that what was sacred for earlier generations remains sacred now arguing that this supremely pastoral teaching calls for a more profound and detailed study of the rite urquhart covers all aspects of the ritual beginning with an outline of the vessels books and vestments and then moving on to outline both low and high mass special forms processions and blessings and the ritual year appendices cover the role of the laity and offer an *ordo missae* with simple rubrics
