two children have been found dead their souls torn from their bodies two more are missing and ethan morgan s niece is one of them a dedicated cop ethan has every intention not only of bringing her back alive but of catching the monster behind these kidnappings and he will use anyone and everyone to achieve those aims even a crazy woman who claims to be a witch but time is ticking the victims rarely stay alive for more than seven days four of those days have already passed in ten years of working for the damask circle shapeshifter katherine tanner has never come across anything that goes

after kids the way this monster does the last thing kat needs is interference from a cop who has no idea what he's up against but the greatest threat to kat may come not from the forces of darkness but from the man she is beginning to love because ethan is a werewolf and the full moon is rising

joining the ancient debate over the roles of reason and appetite in the moral mind in praise of desire takes the side of appetite the book makes the claim that acting for moral reasons acting in a praiseworthy manner and acting out of virtue amount to nothing more than acting out of intrinsic desires for the right or the good correctly conceived in praise of desire shows that a desire centered moral psychology can be richer than philosophers commonly think accommodating the full complexity of moral life

these stimulating essays address such topics as histories of public health emotional life law and sexuality notions of borders and frontiers the relationship between native place identities and nationalism the may fourth movement and the periodization of the chinese revolution
