this glossary has been prepared in order to leave a record of the quechua spoken by the people of huarás and surrounding areas in the mid 20th century huarás capital of the region department of ancash peru has a distinct form of quechua that dialect was endangered due to a massive earthquake on may 31 1970 tens of thousands of people died and the city was destroyed many of the survivors left the area once rebuilt huarás was repopulated with people new to the area who use spanish or a different dialect to communicate since then technological influences such as the internet also reinforce the use of spanish to the detriment of the local quechua born in huarás i was raised in a bilingual environment spanish and quechua although i left the area to attend the university i could always feel at home upon returning until that earthquake since then it seems strange to return to an unfamiliar city due to people language and environment i hope this glossary will help the newer generations better understand not only their grandparents and ancestors but the culture from which they come language and culture are intimately tied and much more than words is lost when a language dies the inca empire tahuantinsuyo was invaded by spain in 1532 at that time quechua was spoken never written throughout the inca civilization with many dialects since then the spanish language has been imposed but in huarás never did it replace quechua to the extent that it did in 1970 this glossary contains words several verb forms and phrases it is written with the expectation that it may help to preserve the inherited quechua so that huarás may remain bilingual it is written for huarasinos the people of huarás if others find it useful better yet the glossary is in quechua to facilitate access to the quechua indices in spanish and in english are included m mosquera

this book explores the discourse pragmatics of reportive evidentiality in macedonian japanese and english through an empirical study of evidential strategies in narrative retelling the patterns of evidential use and non use found in these languages are attributed to contextual cultural and

grammatical factors that motivate the adoption of an epistemological stance a concept that owes much to recent trends in cognitive linguistics the patterns of evidential strategies found in the three languages provide a fine illustration of the balancing act between speakers expressions of their own subjectivity their motivations to tell a coherent and exciting story and their motivations to be faithful retellers of someone elses story these pressures are further complicated by the grammatical and pragmatic conventions that are particular to each language evidentiality and epistemological stance narrative retelling will appeal to those interested in evidentiality grammar and pragmatics cross linguistics discourse analysis linguistic subjectivity and narrative

this volume tells the story of two cultural groups afro hispanics whose ancestors came to panama as african slaves and west indians from the english speaking countries of jamaica and barbados who arrived during the mid nineteenth and early twentieth centuries to build the railroad and the panama canal while afro hispanics assimilated after centuries of mestizaje race mixing and now identify with their spanish heritage west indians hold to their british caribbean roots and identify more closely with africa and the caribbean by examining the writing of black panamanian authors sonja watson highlights how race is defined contested and inscribed in panama she discusses the cultural racial and national tensions that prevent these two groups from forging a shared afro panamanian identity ultimately revealing why ethnically diverse afro descendant populations continue to struggle to create racial unity in nations across latin america and the caribbean
