experiencing the world's religions 7th edition examines the practices and beliefs of major religions it focuses on how religions shape both individuals and whole cultures it also describes in both text and illustrations the art and architecture of the major religions narratives of the author's experiences help readers to experience religions first hand the book is written in the graceful and thought provoking style of michael molloy a scholar of religious studies

religions speak in symbols fire cloud hills and high places darkness and light incense candles colors religions though perhaps love water best buddhists use water for blessing hindus purify themselves in rivers christians undergo baptism in water as a rite of initiation followers of islam and shinto cleanse themselves with water before prayer water means change purification and new beginnings because water can signify so much to us it is the major symbol of this book by studying many religions we also hope to be cleansed and brought to new life this book was written for my students keeping their needs in mind i have tried to provide what is essential and to present it in clear language i want to talk about doctrine and practice yet i also hope to show some of those things that have captivated me religious music art and architecture i want to show my respect for all religious traditions both in a scholarly and an approachable way finally i hope to invite students not only to read about religions but also to experience them firsthand it is like the difference between reading maps of a country and then actually traveling on its roads and seeing its sights experience brings the prize

experiencing the world's religions is a leading seller because it successfully addresses what a person should know about religions and why michael molloy provides an exceptionally clear and compelling account of the teaching of the world's religions the text covers all the essential material and goes beyond traditional approaches to personally connect students with the vitality of the great religions

michael molloy's multi dimensional examination of religions combined with connect religion's skills based activities provides an intimate learning experience for students experiencing the world's religions integrated program supports today's students and provides skills that extend beyond the introduction to religion course engaging both

non majors and majors in the subject the goal of the 6th edition is to better meet the introduction to religion course challenges of building student engagement developing critical analysis skills and building writing skills the 6th edition of experiencing the world's religions continues to include primary sources current examples and coverage of women to ensure students are introduced to unfamiliar religions in ways that are accessible inviting and intriguing experiencing these concepts and cultures is the hallmark of michael molloy's approach his pedagogy and activities are now fully integrated and assessable within connect religion to make for an increased understanding of the most important and memorable elements of each religion writing activities in connect religion tied to chapter narrative offer students the chance to develop their critical analysis skills and put their informed opinions on religion into writing the result is greater student engagement and greater course success instructors and students can now access their course content through the connect digital learning platform by purchasing either standalone connect access or a bundle of print and connect access mcgraw hill connect is a subscription based learning service accessible online through your personal computer or tablet choose this option if your instructor will require connect to be used in the course your subscription to connect includes the following smartbook an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content access to your instructor's homework assignments quizzes syllabus notes reminders and other important files for the course progress dashboards that quickly show how you are performing on your assignments and tips for improvement the option to purchase for a small fee a print version of the book this binder ready loose leaf version includes free shipping complete system requirements to use connect can be found here mheducation.com/highered/platforms/connect/training/support/students.html

since the terrorist attacks on 9/11 the political roles of religious institutions and groups have captured international attention this book examines how religious institutions and organizations in various asian countries are influencing democratic development and the shaping of government policies religious organizations and democratization covers taiwan hong kong mainland china korea thailand the philippines malaysia indonesia and japan the chapters specifically address the engagement of christian buddhist muslim and other religious organizations in the advancement and or hindrance of democratization in the region the contributors consider such questions as why have some religious

organizations played a decisive role in democratic transitions while others remained politically dormant and other still acted in conservative alliances to block democratic development why did some religious organizations that once were active and instrumental to democratic change lose their political vitality as soon as civil liberties were successfully introduced and why did other religious organizations irrespective of their roles in the process of democratic transition emerge as key political forces in the civil society

an introduction to religious and theological studies walks students through topical issues to be encountered in the study of the abrahamic religions judaism christianity and islam as these religions encounter other religions in the context of the wider ecumenism the text is written from a christian point of view and aims at helping students understand that to be christian is to be ecumenical african traditional religions atrs has been included in this survey to provide background for the religious traditions and cultures of peoples of africa as christianity moves inexorably southward the book has been written with undergraduate general education students in mind including meeting the needs of those in seminaries and theological institutes

a much anticipated new addition to the very popular and practical book series that answers real questions on key topics in contemporary christianity islam is one of the most significant forces shaping the world today but most christians are confused about its key beliefs and practices many wonder about the apparent similarities and obvious differences between christianity and islam and want to reach out to muslim friends or neighbors with the gospel but don t know where to begin having spent several years living in north africa and the middle east missions professor matthew bennett guides readers through islam s key tenants and provides answers to critical questions such as who was muhammad and what was his message do muslims and christians worship the same god what are the differences between the qur an and the bible what is shariah law what is the islamic view of salvation what happens in the mosque is islam inherently misogynistic how should a christian share the gospel with muslims helpful summaries at the end of each chapter encapsulate important information followed by discussion questions useful for personal or small group study whether you want to understand islam better or reach muslims for christ 40 questions about islam is an indispensable primer and reference book

experiencing the world's religions 7th edition examines the practices and beliefs of major religions it focuses on how religions shape both individuals and whole cultures it also describes in both text and illustrations the art and architecture of the major religions narratives of the author's experiences help readers to experience religions first hand the book is written in the graceful and thought provoking style of michael molloy a scholar of religious studies

religious experience in contemporary taiwan and china helps social scientists and all religion scholars to rediscover the importance of religious experiences for multiple world religions combining a diverse array of survey items with thousands of candid narratives conducted in taiwan the authors provide a depth and breadth that can't be matched by previous work the nationally representative surveys for taiwan and china offer a broad overview of how religion is experienced in the culture how these experiences vary for each of the many religious and even non religious groups and how they vary between china and taiwan from the preface by roger finke

experiencing the world's religions 8e helps students understand the practices and beliefs of all the major religions at a time when the world is rife with sectarian conflicts and statistics show that americans are seeking spiritual experience more than ever by beginning each chapter with personal encounters with people of diverse faiths in his extensive travels experienced religious scholar michael molloy brings alive how religions shape both individuals and whole cultures in vivid illustrations the vast majority of which have been replaced for this new edition molloy also delves into the art and architecture and celebrations and rituals of the major religions which enhances students visual learning this text is written in an exciting and thought provoking style like those of the best travel writers so that students feel as if they are experiencing the world's religions firsthand

whereas many textbooks treat the subject of world religions in an apolitical way as if each religion were a path for individuals seeking wisdom and not a discourse intimately connected with the exercise of power james w laine treats religion and politics as halves of the same whole tracing their relationship from the policies of alexander the great to the ideologies of modern europe secularists with stops in classical india china and the islamic world meta religion is a groundbreaking text that brings power and politics to the fore of our understanding of world religions placing religion at the center

of world history this synthetic approach is both transformative and enlightening as it presents a powerful model for thinking differently about what religion is and how it functions in the world with images and maps to bring the narrative to life meta religion combines sophisticated scholarly critique with accessibility that students and scholar alike will appreciate
