the book is about the 1994 sinking of the car ferry estonia and the russian mafia while this is a work of fiction the estonia sinking actually happened the characters in the book are fictitious the author suggests a reason the sinking occurred which is contrary to the official investigation the thriller takes place in estonia and the united arab emirates with the main character a young cia employee working out of the us embassy

in september 1994 the passenger ferry estonia set out on an overnight cruise from tallinn estonia to stockholm sweden and sank in the baltic sea killing nearly 1000 people in 35 minutes it was the worst peacetime sea catastrophe in european waters in the 20th century a controversial government investigation blamed the ship s design and high waves but the estonia was the only intact ship in maritime history to sink in less than one hour faster than some torpedoed ships this disturbing fact is the core of the tragedy and was left unexplained the victims still remain in the shipwreck in shallow depth just off the coast of finland a spot militarily guarded by sweden the hole another look at the sinking of the estonia ferry on september 28 1994 examines alternative explanations in view of post soviet chaos proceeding from the theory that the estonia had a hole from a collision or an explosion

the current review synthesises the results of various international surveys about estonia in their analysis the authors relied on widely accepted economic approaches the review aims to give a maximally objective and pragmatic view of the estonian socio economic conditions and foundations of development

the issues related to specific aspects of research policy which are traditionally the main concern of the research and development council will only receive a cursory glance
