pindar's fifteen victory odes for sicilian victors include some of pindar's most impressive and widely admired poems such as the first two olympians and first three pythians the majority of the sicilian odes date from between about 476 to 466 bc and were composed to celebrate the victories of the great tyrants of sicily hieron of syracuse and theron of akragas or their families or courtiers at the crown games the sicilian tyrants made spectacular use of their wealth and power in competing in equestrian events at the games and in commissioning pindar and bacchylides to celebrate their victories in song this book examines the sicilian odes of pindar as a group investigating the ways in which they interact and exploit their overlapping and intersecting audiences it studies the different performances of pindar's odes including reperformances subsequent to the first performance and the audiences of these performances and argues that these have important consequences for our view of the role victory odes played in the self display of the sicilian tyrannies to one another and the wider greek world the intertexts between the odes the conventional material in pindar and the ways in which pindar fulfils his promise of lasting fame for his patrons

in this provocative and forcefully written book steven mailloux takes issue with the validity of a number of distinctions commonly made in contemporary literary theory and cultural studies distinctions between theory and history reader and text truth and ideology aesthetics and politics mailloux first presents the case for a rhetorical hermeneutics and against foundationalist theories of interpretation doing hermeneutic theory he argues entails doing rhetorical history by means of a detailed analysis of reader response criticism he highlights the connections between institutional politics and the interpretive rhetoric of academic literary criticism mailloux then uses adventures of huckleberry finn as an exemplary text relating mark twain's rhetoric to the cultural politics of post reconstruction debates about racist ideology he places his reader oriented interpretation within the rhetorical history of controversies over the meaning and value of huckleberry finn finally in a far ranging study of cultural reception he juxtaposes the twentieth century concern about the topic of race in huckleberry finn with the nineteenth century audience's very different concerns about juvenile delinquency and the bad boy boom in the final

part of the book mailloux restates his critique of foundationalist hermeneutics through readings of ken kesey michel foucault edward said and richard rorty and he concludes by examining the role of rhetoric and theory in a congressional dispute over the reagan administration's reinterpretation of the anti ballistic missile treaty rhetorical power will be welcomed by readers in literary theory and american studies as well as in such fields as speech communication the sociology of culture and social and intellectual history and by others interested in the politics of persuasion

this book examines both the rhetorical content of contemporary public leadership and the leadership methods pioneered by early english statesman sir francis bacon in particular it considers the use of public rhetoric to defend leadership legitimacy in six case studies drawing on leadership contests in recent australian political history the authors map out the complex language of leadership in contemporary politics through chapter length portraits of the inter related political rhetoric of prime ministers rudd gillard abbott and turnbull plus former foreign minister bob carr and indigenous leader noel pearson the process is a novel application of leadership analysis derived from the political philosophy of francis bacon who emerges as a founder of the study and indeed practice of political and public leadership the book will appeal to students and scholars across the fields of political science communication and rhetorical studies and political history

for a century and a half the words of presidents have framed expressed and sometimes challenged the civil rights policies of america as james aune notes in his introduction to this important volume perhaps more than in any other policy arena presidential discourse on civil rights and justice toward african americans illustrates both the highest level of eloquence and the lowest level of rhetorical selfdeception possible in a representative democracy the authors of this book examine the ways in which american presidents and their administrations have defined the meaning of civil rights from rutherford b hayes to william jefferson clinton using a variety of methodologies the book's contributors examine the depressing tale of how the southern redeemer presidents from hayes to mckinley abandoned the promise of civil rights and reestablished the racial class system the eugenics of calvin coolidge's race rhetoric the creative rhetorical invention of eleanor roosevelt and harry truman that laid the foundation for a positive reconstitution of the american community the much debated civil rights legacy of john f kennedy's administration and the efforts by conservative presidents to redefine the civil rights legacy in their own terms the book's insightful closing chapter analyzes president clinton's 1997 98 race initiative and its failure drawing conclusions about the role of presidential rhetoric in the near future of civil rights the original and challenging analyses and perspectives of this well written tightly focused volume shed light on both the history of civil rights and the practice of presidential rhetoric whether for individual enlightenment or for course use readers will find the book addresses many previously unanswered questions and opens new paths for exploring the central american dilemma

how did the visual the oral and the written interrelate in antiquity the essays in this collection address the competing and complementary roles of visual media forms of memory oral performance and literacy and popular culture in the ancient

mediterranean world incorporating both customary and innovative perspectives the essays advance the frontiers of our understanding of the nature of ancient texts as regards audibility and performance the vital importance of the visual in the comprehension of texts and basic concepts of communication particularly the need to account for disjunctive and non reciprocal social relations in communication thus the contributions show how the investigation of the interface of the oral and written across the spectrum of seeing hearing and writing generates new concepts of media and mediation
