l etourdit was one of the french philosopher jacques lacan s most important works the book posed questions

that traversed the entire body of lacan s psychoanalytical explorations including his famous idea that there is no such thing as a sexual relationship which seeks to undermine our certainties about intimacy and reality in there s no such thing as a sexual relationship alain badiou and barbara cassin take possession of lacan s short text thinking with lacan about his propositions and what kinds of questions they raise in relation to knowledge cassin considers the relationship of the real to language through a sophist lens while the platonist badiou unpacks philosophical claims about truth each of their contributions echoes back to one another offering new ways of thinking about lacan his seminal ideas and his role in advancing philosophical thought

this practical book on the subject of positive behaviour management is invaluable to teachers classroom assistants and people involved in education and training it provides an insight into the changes that have occurred in secondary school classrooms over the past forty years that have led to the difficulties teachers have in managing the behaviour of their pupils
