pilot study of labour demand and related problems in respect of public administration personnel in urban area government in the usa includes job descriptions concerning top management professional worker and technician functions related to municipal planning and administration and comments on employment opportunities for public servants further research needs and the research methodology used in the study references and statistical tables

the quality of local governance matters more than ever before to many citizens their local government is the most tangible form of government and it is also the layer of government with which they have most contact in their everyday life the power of the local administration is that it represents ordinary citizens people eat drink work play and socialize with others in towns and cities to be fully effective local government

management and service delivery capacity needs to be strong and resources need to be adequate civil society and businesses are essential actors in ensuring local governments have the capacity to meet the needs of its citizens there are a host of challenges that confront local government in the 21st century delivering quality services lack of finance and local fiscal autonomy engaging citizens and communities in meaningful and authentic ways forming effective partnerships which incentivize local actors to find solutions to the many complex and intractable issues facing communities generating inclusive and sustainable development implementing strategies for disaster risk reduction managing transparent communications and rapidly evolving technologies and socio economic demographics the governance of local communities global perspectives and challenges is about the role that ideas institutions and actors play in structuring how people govern local communities and more specifically the types of adaptations necessary in local government roles and responsibilities structures and processes to effectively respond to a changing local government environment global changes require that we rethink local governance a wide net of international experts on local governance was assembled for this volume to stimulate frank conversations around the many contemporary challenges facing local government

the effective local government manager 3rd edition reflects the rich history and modern reinvention of a profession that sprang up at the beginning of the twentieth century what does it mean to be a local government manager in today's world what can a manager accomplish what internal as well as external resources must the manager harness what motivates the manager's employers colleagues and employees for the student contemplating a career as a manager in public service the effective local government manager is almost obligatory reading many instructors have built introductory courses on local government management around the effective local government manager for the young assistant in a city or county or for the mid career manager assessing new challenges the effective local government manager offers insights on your role and how you can best serve your community it explores the manager's many roles and responsibilities interacting with the community the governing body local government employees and other governments it offers the most up to date theory and practice of local government as well as tools of management this book is used as a text in icma university's emerging leaders development program

local government strategy and communities is the first major publication of the local futures research project a first funded five year project on strategic policy and planning in local government based at the school of government victoria university of wellington the book provides information and analysis on changing strategic planning practices under the local government act 2002 the experiences of 19 local and regional councils are examined as they worked with their communities to prepare a ten year long term council community plan the authors have raised important issues regarding the role of local government in new zealand the merits and demerits of strategic planning in community settings and a whole of government approach to strategy development local government strategy and communities provides a valuable resource for anyone interested in local government strategic planning and network governance the authors encourage questioning and debate about policy and planning

changes and identify the strengths weaknesses and challenges of the new legislation

due to the mortgage crisis of 2008 laws aimed at achieving budgetary and financial stability were enacted the concept of financial sustainability has been linked to the need of rendering public services without compromising the ability to do so in the future financial sustainability and intergenerational equity in local governments is a critical scholarly resource that analyzes the financial sustainability of local governments with the aim of ensuring equality and intergenerational equity featuring coverage on a broad range of topics such as intergenerational equity public policies and sustainability management this book is geared towards government officials managers academicians practitioners students and researchers seeking current research on identifying public policies to ensure financial balance

in a recent paradigm shift local governments find themselves shouldering more responsibility for day to day governance and crisis management thanks to regulations and federal spending cuts while twenty years ago a book on local government administration might have been considered complete with chapters on budgeting public personnel management productivity and responsiveness and community engagement any discussion of local government must now also include resiliency emergency management climate change smart cities social media and infrastructure funding bringing together key voices from the academic and public sectors local government management offers techniques and insight into how local government can most effectively lead and manage their resources in an evolving political and environmental landscape featuring examples from expert contributors own decades of public service and research this forward thinking book explores the rapid speed of change in local communities and the need for local government to not only adapt but to also proactively plan for the future local government management is essential reading for local government officials public stakeholders practitioners and students of public administration and management

bringing together key voices from the academic and public sectors local government management offers techniques and insight into how local government can most effectively lead and manage their resources in an evolving political and environmental landscape

first published in 1998 this volume responds to the increase in performance review driven by government policies and examines the performance environment and processes for local government it explores the political and managerial environment before moving onto service planning performance indicators and the citizen's charter along with case studies it is hoped to be of particular interest to undergraduate and postgraduate students of public administration or public management

managing local government an essential guide for municipal and county managers offers a practical introduction to the changing structure forms and functions of local governments taking a metropolitan management perspective authors kimberly nelson and carl w stenberg explain u s local government within historical context and provide strategies for effective local government management and problem solving real life

scenarios and contemporary issues illustrate the organization and networks of local governments the roles responsibilities and relationships of city and county managers and the dynamics of the intergovernmental system case studies and discussion questions in each chapter encourage critical analysis of the challenges of collaborative governance unlike other books on the market this text s combined approach of theory and practice encourages students to enter municipal and county management careers and equips them with tools to be successful from day one
