Milady Standard Esthetics Fundamentals 11th edition is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student focusing on introductory topics including history and opportunities in skin care, anatomy and physiology, and infection control and disorders. It lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. Important notice: media content referenced within the product description or the product text may not be available in the ebook version.

This spiral-bound full-color supplement to Milady's Standard Esthetics Fundamentals 10th edition textbook can be used in conjunction with your textbook or on its own to brush up on key procedures. Each step is clearly explained and is accompanied throughout by full-color photos. At the end of each of the procedures, you'll find a list of rubrics or ways to note and comment on your performance of each of the key tasks. Rubrics are used in education for organizing and interpreting data gathered from observations of student performance. It is a clearly developed scoring document used to differentiate between levels of development in a specific skill performance or behavior. You can use it to evaluate yourself, other estheticians, other students, or as an instructor to evaluate your own students to assist you in really learning each and every step. We've noted which procedures can be found on the companion DVD set, Milady's Standard Esthetics Fundamentals. If you already own these DVDs or know that your school owns them, we encourage you to watch the procedure in video to strengthen your understanding of that particular procedure.
