i ve always admired the writing of elisabeth sharp mcketta and her beautiful ambitious first novel demonstrates why she never told me about the ocean is a heroine s journey through forgiveness birth and rebirth all the while treading the line between honoring the dead and feeling paralyzed by them she has offered us a complicated portrait of mothers and daughters cupped inside one another like nesting dolls arthur golden author of memoirs of a geisha she never told me about the ocean is a tidal and intimate book brimming over with wonders and terrors and the watery echoes that bind generations of women what a pleasure this book is from start to finish mcketta maps the dark portals through which her women continuously reinvent themselves newborn at every age karen russell author of swamplandia and orange world and other stories told by four women whose stories nest together she never told me about the ocean is an epic about a rite of passage that all humans undergo and none remember birth eighteen year old sage has been mothering her mother for as long as she can remember and as she arrives on the shores of adulthood she learns a secret before she was born she had an older brother who drowned in her search to discover who he was and why nobody told her sage moves to tiny dragon island where her mother grew up there she embarks on a quest to learn the superstitions of the island especially its myths involving her mother gathering stories from ilya a legendary midwife who hires sage as her apprentice marella sage s grieving mother who was named for the ocean yet has always been afraid of it and charon the underworld ferrywoman who delivers souls to the land of the dead sage learns to stop rescuing her mother and simply let go but when her skill as ilya s apprentice enables her to rescue her mother one final time in a way that means life or death sage must shed her inherited fears and become her own woman

picture being homeless responsible for a young child and you are a child yourself imagine prince charming coming out of no where to rescue you and your terminally ill mother from the cold heat and potention danger now picture prince charming becoming the person you feared most

im six years old and having a life crisis are you my mummy is the question i could never ask

because i love both my mothers equally tyna the tiny one and bigga who is bigger i havent got a daddy either and it seems rude to ask this is a sharp and entertaining true story beginning in war torn london of how the author navigated her way through family passions and oddities secrets and multiple identities on the way she encounters a christmas pudding sent annually care of the bank of scotland sitting on a tutors cat during a cambridge university interview running the family corner shop as a school girl discovering a cache of beautiful postcards from all over europe and the seaside wedding of one of her mothers one of my mothers is has yet another stroke im by her side when the consultant points to a scar on her belly and asks her what it is silently she raises her hand and gestures towards me a caesarean section all those years ago i am her daughter we never speak of it after bigga and tyna died i begin a paper trail to find news of my father one morning i walk across westminster bridge to meet a half sister i have been an only child for 50 years over lunch i discover that i am the sixth of seven siblings born to four women and i have a famous swiss grandfather the book ends by tackling some questions im often asked such as were your mothers lesbians does a child need a father is the past good for you do therapists help
