my husband betty is the first book to explore the relationships of crossdressing men and their female partners known traditionally as transvestites men like helen boyd s husband are starting to come out and win the respect of friends family and society even if their behavior still baffles mental health professionals and the crossdressers themselves boyd explains the taxonomy of the transgendered the distinct societies within the transgendered community the effects of the closet sexuality and the issues faced by the wives and girlfriends of crossdressing men helen s own experience is at the heart of this book her story complemented and contradicted by interviews with crossdressers drag queens tranny chasers and other transgendered couples

for betty it started like every other friday morning in 1965 quickly finishing her weekly housework before her husband rob would waltz in after a tiring week of selling corporate insurance suddenly the door opened and a glaring light silhouetted a man she thought

she knew stood in the doorway up to this point betty's life was best described as dull and uneventful until ryan walked in looking almost exactly like her husband rob she is thrown into the world of spies and deception and has to stifle her panic and frustration because foreign agents are watching her every move her whole world had been turned upside down yet she had to keep composure and all this has to be kept secret from her family and nosy neighbors

harper's informs a diverse body of readers of cultural business political literary and scientific affairs

this volume presents research from an international interdisciplinary and intersectoral research project in which 15 doctoral researchers explored a range of issues related to the life course experiences of children born of war in 20th century conflicts children born of war cbow children fathered by foreign soldiers and born to local mothers during and after armed conflicts have long been neglected in the research of the social consequences of war based on research projects completed under the auspices of the horizon2020 funded international and interdisciplinary research and training network chibow chibow.org this book examines the psychological and social impact of war on these children it focusses on three separate but interrelated themes firstly it explores methodological and ethical issues related to research with war affected populations in general and children born of war in particular secondly it presents innovative historical research focussing specifically on geopolitical areas that have hitherto been unexplored and thirdly it addresses from a psychological and psychiatric perspective the challenges faced by children born of war in post conflict communities including stigmatisation discrimination within the significant context of identity formation when faced with contested memories of volatile post war experiences the book offers an insight into the social consequences of war for those children associated with the enemy by virtue of their direct biological link

forty women whose lives were influenced by betty shabazz share their memories of the widow of malcolm x who went on to become an important political and civil rights activist in her own right

ebony is the flagship magazine of johnson publishing founded in 1945 by john h johnson it still maintains the highest global circulation of any african american focused magazine

the exuberant moving and tragic life of an african american heroine

important american periodical dating back to 1850
