originally published as a picture book by Bradbury Press in 1974

I wonder if Judy Blume really knows how many girls' lives she affected. I wonder if she knows that at least one of her books made a grown woman finally feel like she'd been a normal girl all along. From everything I needed to know about being a girl, I learned from Judy Blume whether laughing to tears, reading *Otherwise Known As Sheila The Great*, or clamoring for more unmistakable moments in *Are You There, God? It's Me, Margaret*. Girls all over the world have been touched by Judy Blume's poignant coming-of-age stories. Now in this anthology of essays, twenty-four notable female authors write straight from the heart about the unforgettable novels that left an indelible mark on their childhoods and still influence them today. After growing up from tales of a fourth-grade nothing into smart women, these writers pay tribute through their reflections and most cherished memories to one of the most beloved authors of all time.

Want a quick way to check to see whether a student has read a book? This is it. Quizzes contain objective reproducible tests for well-known children's books, all of which are likely to be found in school and public libraries. Titles include award winners and runners-up, classics, popular books, and books by such children's authors as Cleary, Fox, and Norton. With a new organization and layout, this revised edition offers users an improved and more durable resource, flexible and convenient. The reproducible tests are great for helping track independent reading programs.

Find out what it's like to be the middle child and what it means to be able to stand out and feel special. Students gain a deeper understanding of their own mind to visualize what makes them unique. Sort words from the story as short as *a* or long as *vowels*. Complete quotes from the story with their missing quotation marks. Recognize whether Freddy practiced for his part before or after he showed how well he could jump. Students draw their own interpretation of Freddy's costume for the play and explain how it fits and some of its important details. Brainstorm things that would make a good play and things that would make a bad play. Students compare themselves to Freddy in a Venn diagram. Graphic organizer aligned to your state standards and written to Bloom's taxonomy. Additional crossword, word search, comprehension quiz, and answer key are also included. About the novel *Freddy Dissel Feels Trapped*: Between an older brother and younger sister as the middle child, he feels neglected by everyone around him. He lost his room to his younger sister and now shares with his older brother. He doesn't get new clothes of his own but instead wears his brother's hand-me-downs. He is too young to play with his older brother but too old to play with his younger sister. One day Freddy learns of a school play and decides to try out for it. The only problem being it's only for the fifth and sixth graders, but that doesn't stop Freddy. He lands a special part as the green kangaroo. Now Freddy can shine out front, no longer stuck in the middle.
