radical roots how one professor transformed a university tells the story of joel torstenson a sociology professor at augsburg university in minneapolis minnesota in the 1960s torstenson challenged his university to embrace its urban setting and to design its curricular co curricular and community engagement programs to advance its mission of education for service the compelling story of torstenson s legacy at augsburg over the past 60 years offers lessons for colleges and universities across the country committed to democratic engagement in their work at the intersections of mission and place augsburg university s saga as an urban settlement has not always been embraced by the university though location and place are central to the university s identity it is not sufficient to explain the integrative power of the university s character for that purpose it is critical that place be understood through the lens of augsburg s academic mission and work this integrated view of place and mission required a new way of imagining the university s core work of educating students the purpose of this book is two fold the first is to document and celebrate the legacy of professor joel torstenson and to understand the impact of this legacy s inception evolution and current manifestations and impact at augsburg and in the wider world professor torstenson cared deeply about the public purpose of higher education and torstenson s model for what this public purpose might look like prompted massive transformation in augsburg university s trajectory the resulting experiments in education and commitment to the city flowered into a legacy that has spurred augsburg university to create an innovative model for 21st century education this model has impacted everything from student learning and community life to teaching and curricular structure to the public mission of the institution and its presence in the city

and world torstenson s creative and even radical work in the 1960s and 70s has been carried through the decades by continued innovation in teaching and learning based in experiential education and a commitment to place and community building this legacy has simultaneously advanced the public purpose and mission of the university secondly this book shares what are some of the lessons learned from fifty years of innovation following torstenson s vision with the hope that these lessons might serve the broader community of colleges universities faculty staff and students engaged in similar pursuits augsburg s innovative experiential education place based community engagement and public and anchor institution work has been and will continue to be a model for other institutions we believe that torstenson s legacy and the lessons learned through the years of its evolution has lessons to teach and models to follow for our sibling institutions across the united states the volume includes discussion prompts and questions after each section there is also a companion website augsburg edu radicalroots that includes additional resources related to the volume s themes perfect for course such as higher education and democracy in the united states principles of experiential education place matters higher education and community engagement universities as anchor institutions in their communities introduction to citizen professionalism leading in the 21st century public work social responsibility and vocation in a world of extremes accompaniment developing democratic skills and fostering healing with communities curricular innovations in higher education and principles of higher education pedagogy
