biography of paul glover currently founding director at patch adams free clinic previously owner at greenplanners and owner at greenplanners since money was invented there has been a debate about better ways of creating it and better rules to govern how it works until the last generation when it began to seem that the money system had been handed down by god and remained unchanged ever since but the last few years have seen an increasingly powerful resurgence of interest in changing the system fundamentally and bringing the monetary trends that affect all our lives under our control few realize that the debate has roots and a tradition covering mainstream economists like keynes and hayek statesmen like lincoln entrepreneurs like ford and soros as well as the imaginative mavericks behind local currencies and e money this volume collects together some of their most influential writings to provide a handbook on a vital train of ideas and a guide to a debate on changing money that is becoming increasingly important

this book has emerged out of our long time research interests on the topic of latex film formation over the years we have built up a repertoire of slides used in conference presentations short courses and tutorials on the topic the story presented in this book has thereby taken shape as it has been told and re told to a mix of academic and industrial audiences the book presents a wide body of work accumulated by the polymer colloids community over the past five decades but the selection of examples has been flavoured by our particular experimental interests and development of mathematical models we intend the book to be a starting point for academic and industrial scientists beginning research on latex film formation the emphasis is on fundamental mechanisms however and not on applications nor on specific effects of formulations we hope that the book consolidates the understanding that has been achieved to date in the literature in a more comprehensive way than is possible in a review article we trust that the reader will appreciate the fascination of the topic

the encyclopedia of the newspaper industry

with his distinctive direct and oft humorous approach recovering attorney and long time business and executive coach to businesses in crisis paul glover bares his knuckles to present 76 strategies and tips to thrive in the knowledge economy this no nonsense advice gleaned from 25 years of helping businesses nationwide prosper and his popular bottom line and morning mantra newsletters carries you through the impact of the recent workquake the industrial economy's final meltdown

booklist top of the list reference source the heir and successor to eric partridge's brilliant magnum opus the dictionary of slang and unconventional english this two volume new partridge dictionary of slang and unconventional english is the definitive record of post wwii slang containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional english of the english speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized partridge's own work unique exciting and at times hilariously shocking key features include unprecedented coverage of world english with equal prominence given to american and british english slang and entries included from australia new zealand canada india south africa ireland and the caribbean emphasis on post world war ii slang and unconventional english published sources given for each entry often including an early or significant example of the term's use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of partridge commentary on the term's origins and meaning new to this edition a new preface noting slang trends of the last five years over 1 000 new entries from the us uk and australia new terms from the language of social networking many entries now revised to include new dating new citations from written sources and new glosses the new partridge dictionary of slang and unconventional english is a spectacular
