this book explores the meaning of love and intimacy from a variety of perspectives specifically philosophical psychological and cultural this volume is a focussed study on what makes them and what may break love and intimacy love and intimacy are central to us is sought by almost everyone and while we seem to know what they are they are not easily described the present volume includes eleven chapters which are divided into two parts the first part describes the meaning of love intimacy and romantic relations and the second highlights what may go wrong in such relationships and why the book explores theoretical debates and contemporary research around emotions and will be of interest to students and researchers of psychology philosophy as well as sex

marriage and family therapists and counselors the chapters in this book were originally published in the journal of psychology

this book challenges assumptions about the motivations that drive women from relatively poor developing countries to use intermarriage dating sites to find partners from relatively wealthy developed countries it is generally assumed that economic deprivation or economic opportunities are the main factors but this book instead focuses on the work of women's imagination in online cross cultural relationships including the role of desire love and intimacy the experiences of thai women are used to explore how they initiate develop and maintain love and intimacy with western men across distance and time the book shows that in the absence of opportunities to search and meet partners from geographically distant parts of the world the technology of the internet offers new ways of searching for and managing relationships and has significant consequences for local experiences and expectations of love and partnering the book will be of interest to scholars and students with an interest in family and intimate life gender and sexualities asian and thai studies globalization and nationalism culture and media sociology and anthropology

in love intimacy and sex the authors aim to provide a systematic scientific model of love intimacy and sex a necessary beginning for any successful attempt to understand the vastly complex particulars of sex in modern society they contend that modern sexual views influenced by relativism and pop freudianism have grossly distorted contemporary views of love their provocative work is a creative reformulation of past research with extensive examples of case studies from life and literature which extend our knowledge of bonding unbonding and rebonding in relationships a fascinating reappraisal of love it is a thought provoking commentary for both professionals and advanced students in the area of inte

love relationships and society is the first book of its kind it contains one thousand original quotes grouped into seven different categories including love and romance family and relationships friendship and society science and education leadership and culture spirituality and compassion and poetry and writing these quotes provide the audience with unique and new knowledge on various aspects of life additionally a real life application of these quotes is also presented in this book through various methods and techniques readers can apply these quotes to their personal experiences as well as reflect on them to explore and discover additional benefits

using a style that draws students into the ongoing inquiry into how intimate relationships work love and intimaterelationships investigates the life cycle of relationships influences that affect them theories behind them and ways to improve them dozens of stories from students themselves case examples and over 150 tables figure and the cartoons of don edwing of mad magazine help bring the material alive the book is also unique in exploring aspects of human

relationships not covered in other textbooks on the subject love and intimate relationships helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds the multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology marriage counseling human relations and sexuality and interpersonal relationships

this powerful collection of essays by such notables as d h lawrence robert bly anne morrow lindbergh and rainer maria rilke focuses on the challenges of love between men and women addressing the questions and difficulties arising for people in relationships today anyone who is has been or hopes to be in an intimate relationship with a person of the opposite sex will find this book must reading the first group of essays deals with the contradictions and possibilities inherent in erotic love leading to the question posed in the next section what do men and women really want the contributors then explore marriage as an ongoing path of personal transformation that opens into a look at sexuality itself as an especially vivid meeting of two different worlds the book closes with a group of writings that consider relationship as a vehicle for developing power wisdom and inner truth carefully selected threaded together by welwood s insightful commentary the essays presented here approach the challenge of intimacy with bravery and gentleness inspiring the reader toward becoming a warrior of the heart

we all crave an authentic experience of intimacy though our hearts crave intimacy though our minds understand our deep need for it the self revelation it requires is often too daunting a task complete and unrestrained sharing of self exposes the deepest human fear of being rejected for being ourselves in the seven levels of intimacy matthew kelly both acknowledges and calms our fears while teaching us how to move beyond them to experience the power of true intimacy matthew reveals that each relationship is built upon a pattern of interaction in the beginning stages we rely on casual interactions gaining familiarity by focusing on superficialities and facts we grow closer and begin to share our opinions learning to accept each other and embrace the growing relationship despite the difference in our experiences and viewpoints once our differences and opinions are shared and accepted we feel safe enough to reveal our hopes dreams and feelings developing trust with this trust we open ourselves and are able to share our legitimate needs becoming liberated from carrying the burden of our real needs alone at last we are deeply intimate and both willing and able to reveal our deepest fears we are beyond judgment and feel trust and acceptance by moving through and building upon each level of intimacy we find comfort and gain trust in our partners and ourselves until by developing and deepening our intimacy within each level we are able to fully open ourselves finally opening to the possibility of truly being loved it is through mastering the seven levels of intimacy that we will break through to fully experiencing love commitment trust and happiness the seven levels of intimacy is a brilliant and practical guide to creating and sustaining intimacy whether you are looking for a deeper sense of connection with your spouse looking for more fulfillment in your relationship with your boyfriend or girlfriend trying to improve your relationships with your children or simply wondering what you should be looking

for in a partner with profound insight and the use of powerful everyday examples matthew kelly explains how we can nurture the intimacy in our relationships the seven levels of intimacy redefines how we view our interactions with others this new understanding leads us to successfully create the strong connections deep joy and lasting bonds that we all long for

love and intimacy in contemporary society reflects on relationships in contemporary society and the role of love and intimacy in framing lives the book draws on sociological perspectives cultural sociology and gender theory perspectives it looks at how love and intimacy is experienced differently and intersected by gender ethnicity race and sexuality this book aims to encourage people to understand theories of intimacy emotions and desire by examining these concepts contemporaneously and cross culturally it also explores how love and intimacy is experienced by young people and how it is impacted by age it looks at its representation in the media and film and focuses on how gender ethnicity and sexuality offer different perspectives on love and intimacy the book shows how relationships are impacted by social networking and new technologies and the opportunities and challenges posed by these new platforms for building relationships finally the book examines how intimacy has become commercialised in late capitalism and how that acts to change relationships the book is written in an accessible way and explores a range of theoretical debates and contemporary research around emotions which can be useful for undergraduate postgraduate and doctoral study

this is a much needed development from the first edition that provides an update on the theory and research on love by world renowned scientific experts it explores love from a diverse range of standpoints social psychological evolutionary neuropsychological clinical cultural and even political it considers questions such as how men and women differ in their love what makes us susceptible to jealousy and envy in relationships how love differs across various cultures as the neuropsychological basis of love is examined this study showcases what attracts people to one another why love has developed the way it has over time and what evolutionary purpose it serves it also analyses why and when love relationships both succeed and fail which means readers will be rewarded with a better understanding of their own relationships and those of others as well as what can be done to build a lasting loving relationship

exploring the dimensions of human sexuality fourth edition addresses all aspects of sexuality biological spiritual psychological and sociocultural and presents the information both factually and impartially throughout the text students will find an emphasis on health and well being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality sexual health and sexual responsibility

dive deep into the intricate tapestry of human connection with beyond the surface the third installment infatuation series this thought provoking ebook series through the complex realms of love intimacy infatuation and sex unraveling the nuances that define our relationships and desires in a world where superficial connections often overshadow genuine bonds beyond the surface challenges readers to explore what truly lies beneath discover how infatuation can ignite passion and transport us to dizzying heights yet learn to distinguish it from the deeper more fulfilling experiences of love and intimacy engaging insightful analysis will illuminate the often blurred lines between these powerful emotions prepare to confront your own beliefs and assumptions challenge societal norms and embark on a journey of self discovery beyond the surface is more than just a guide to love and relationships it s an invitation to explore the depths of your own heart and mind to embrace the raw and beautiful spectrum of human connection

when you accept the premise that true love is essentially intimacy you can begin learning and applying basic principles for creating intimate relationships when it comes to attainability and sustainability gaining some basic relationship knowledge and wisdom can be the difference between the search and discovery never before has the process of developing a healthy relationship from the point of initial contact been as carefully detailed and explained

discover what you are missing in your life and in your marriage tired of the power struggle the blame game the failed relationships know what you want but don t know how to get it learn the mysteries of human relationships and get the love intimacy and money you want for over 40 years dr welpton has counseled more than 1000 couples and says marriage success comes when individuals learn to love themselves first too many people look to their partner to make them feel approved of and loved this is one of the reasons the divorce rate is near 50 per cent when expectations are not met spouses leave the relationship but what happens when you begin to value yourself and stop looking to your partner to feel worthy and loved your relationship problems start to heal you start attracting what you want from life in attract love intimacy money you will learn how to change your relationship take responsibility to change your limiting beliefs get out of the blame game avoid financial infidelity or recover from it approve and love yourself and then your partner start attracting love intimacy money and whatever you want

a compelling journey into the obstacles to intimacy on the road to joy the author paints a breathtaking vision of love and intimacy and shows us how to achieve it the rules of relationship are rewritten as we soar to the heights of soulful love

where there is love there is life but what love is to understand love at the deepest level we need to know what love is and how it is explained this book attempts to share inspiring insights anecdotal experiences and perhaps incomplete yet valuable materials and viewpoints of general and notable people across

the global cultures over time which is presented precisely easy to read and understand to the readers on the matter of love marriage and sexual behavior towards fulfilling the life's most intrinsic desire and happiness the book is for the general public of all sections of global society and culture the three key messages readers shall take away from this book they are a love is the essence b marriage is a bond and c sex is the ultimate supreme pleasure of life explaining these themes attempts have been made to broadly discuss about the topics bringing together various ideas from diverse sources historical periods cultures and philosophical perspectives along with contemporary empirical work from psychology sociology anthropology and neuroscience the readers not only will enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love marriage relationships and observed or unobserved differences between men and women and what social historical cultural political evolutionary or biological factors might influence them nonetheless the substance of the book tells the inner most words of every man and woman that are being preserved since their young age finally the book will be of good values and understanding with readers own journey of love marriage and relationship these are the reasons why the readers will buy the book the main objective of the book is to let the readers rethink about the changing pattern of love and relationships over time
