hidden somewhere among all the numbers in a financial report is vitally important information about where a company has been and where it is going this is especially relevant in light of the current corporate scandals the sixth edition of this bestselling

book is designed to help anyone who works with financial reports but has neither the time nor the need for an in depth knowledge of accounting cut through the maze of accounting information to find out what those numbers really mean

index to astm standards issued as last part of each vol

about the book the book provides detailed analysis of sebi listing obligations and disclosure requirements regulations 2015 which replaced the listing agreement and were notified on 2nd september 2015 these regulations impose considerable volume of compliance obligations on listed entities and every listed entity is obligated to comply with them the volume of the regulations and the pace at which they have been undergoing frequent changes makes the task of compliance a hard one for the compliance officers this book attempts to simplify the complex mass of the regulations and bring in the relevant provisions of the companies act 2013 so as to assist the compliance officers in their task of compliance these regulations apply to the listed entity who has listed any of the following designated securities on recognised stock exchange s a specified securities listed on main board or sme exchange or institutional trading platform b non convertible debt securities non convertible redeemable preference shares perpetual debt instrument perpetual non cumulative preference shares c indian depository receipts d securitised debt instruments e security receipts f units issued by mutual funds g any other securities as may be specified by the board it would be immensely useful for company secretaries law professionals chartered accountants key highlights covering detailed analysis of provisions applicable for listing of specified securities on recognized stock exchange s topics have been thoroughly explained using judicial pronouncements

billed in early issues as a practical journal of industrial progress this monthly covers a broad range of topics in engineering manufacturing mechanics architecture building etc later issues say it is devoted to the advancement and diffusion of practical knowledge

the basic magazine in a basic industry
