it doesn t make sense that almighty god would have children characterized by fear and insecurity could it be that we ve forgotten the one who distinguishes us from every other religion and cult in the world chan returns us to the holy spirit as the bible describes him

please note this is a companion version not the original book sample book insights 1 there is a desperate need for the holy spirit in the church but many people do not connect that need with a particular need for the spirit we must examine ourselves and make sure we are open to the spirit s work in us 2 we need to reexamine our faith and how we think about and relate to the holy spirit we don t live like we need the holy spirit and we don t expect the holy spirit to act in our lives 3 the holy spirit makes his home in our bodies we are the spirit s temple and yet we often lack love joy peace patience kindness etc even while many of our unbelieving friends exhibit these traits 4 the holy spirit is the third member of the holy trinity he is the spirit of god and he lives inside of you and leads you however it is better that jesus leave you and the holy spirit comes to you
