this book traces the unitary source of all of the world's major religions the book underscores the fact that there are many ways in which humanity has sought revelation of god yet there is a common inspiration behind humanity's god concept the author's analysis of world religions or faiths adopts a multi interdisciplinary approach taking the reader through historical anthropological archaeological and theological viewpoints to make juxtapositions god in us is a rich resource that helps the readers understand the origins of human civilisation and how humans began to worship god domesticate animals like sheep invent astrology and create languages biko's research also delves deeper into unveiling african indigenous knowledge systems and science that predate the arrival of the colonisers on the african soil print edition not for sale in sub saharan africa

since the first edition indonesia has undergone massive political and legal change as part of its post soeharto reform process and its dramatic transition to democracy this work contains 25 new chapters and the 4 surviving chapters have all been revised where necessary indonesia law and society now covers a broad range of legal fields and includes both historical and very up to date analyses and views on indonesian legal issues it includes work by leading scholars from a wide range of countries there is still no comparable english language text in existence

mobilizing mainstream islam explains the rise and changing shape of religious nationalism in indonesia after the fall of suharto in 1998 in the 2000s a time of electoral democratization indonesia's religious and political landscape experienced significant competition and reshuffling as religious and political elites formed an alliance to challenge indonesia's official policies of tolerance and religious pluralism as saskia schäfer argues state and religious authorities have in the post suharto era constructed a homogenized bureaucratized form of islam which she terms mainstream islam that deliberately marginalizes people framed as minorities such as ahmadiyya shia muslims and lgbtqi identifying people through securitization and theological delegitimization she shows how the discourses of human rights have only sharpened the contours of these identities within the national imaginary through diverse case studies mobilizing mainstream islam explores how competitive electoral politics decentralization and media fragmentation facilitated the emergence of islamist majoritarian rule and compares indonesia's decentralized model with malaysia's state driven approach schäfer examines how competition over resources and public support shape religious nationalism as the case of indonesia illuminates broader global trends of religious nationalism this book offers fresh insights into the challenges of maintaining pluralism in electoral democracies

water plays a key role in addressing the most pressing global challenges of our time including climate change adaptation food and energy security environmental sustainability and the promotion of peace and stability this comprehensive handbook explores the pivotal place of law and policy in efforts to ensure that water enables positive responses to these challenges and provides a basis for sound governance the book reveals that significant progress has been made in recent decades to strengthen the governance of water resource management at different scales including helping to address international and sub national conflicts over transboundary water resources it demonstrates that effective laws and policies are fundamental drivers for the safe equitable and sustainable utilization of water however it is also shown that what might constitute an effective law or policy related to water resources management is still hotly debated as such the handbook provides an important and definitive reference text for all studying water governance and management

the respective legal frameworks that control central banks are shaped by whether they are market oriented or government controlled however such stark distinction between these two categories has been challenged in view of the varying styles of crisis management demonstrated by different central banks during the crisis this book uses comparative analysis to investigate how the global financial crisis challenged the role played by central banks in maintaining financial stability focusing on four central banks including the us federal reserve system the bank of england the bank of japan and the people s bank of china it illustrates the similarities between the banks prior to the crisis and their similar policy responses in the wake of the crisis it demonstrates how each operated with varying levels of independence while performing very differently and facing different tasks the book identifies some central explanatory variables for this behavior addressing the mismatch of similar risk management solutions and varying outcomes central bank regulation and the financial crisis a comparative analysis explores the legal challenges within central bank regulation presented by the global financial crisis it emphasizes the importance of and the limitations involved in legal order and argue that in spite of integration and globalization significant differences exist in central banks approaches to risk management and financial stability

commentators from bill cosby to barack obama have observed the phenomenon of black schoolchildren accusing studious classmates of acting white how did this contentious phrase with roots in jim crow era racial discord become a part of the schoolyard lexicon and what does it say about the state of racial identity in the american system of education the answer writes stuart buck in this frank and thoroughly researched book lies in the complex history of desegregation although it arose from noble impulses and was to the overall

benefit of the nation racial desegregation was often implemented in a way that was devastating to black communities it frequently destroyed black schools reduced the numbers of black principals who could serve as role models and made school a strange and uncomfortable environment for black children a place many viewed as quintessentially white drawing on research in education history and sociology as well as articles interviews and personal testimony buck reveals the unexpected result of desegregation and suggests practical solutions for making racial identification a positive force in the classroom

this report presents a comprehensive look at girls educational achievement during the past 35 years paying special attention to the relationship between girls and boys progress analyses of results from national standardized tests such as the national assessment of educational progress naep and the sat and act college entrance examinations as well as other measures of educational achievement provide an overall picture of trends in gender equity from elementary school to college and beyond differences among girls and among boys by race ethnicity and family income level are evaluated together these analyses support three overarching facts about gender equity in schools today 1 girls successes don t come at boys expense 2 girls and boys educational performance has improved and 3 understanding disparities by race ethnicity and family income level is critical to understanding girls and boys achievement the report finds that many girls as well as boys are not acquiring the educational skills needed to succeed in the 21st century economy the report dispels the myth of a boys crisis and calls for a refocused public debate on the deep divisions among schoolchildren by race ethnicity and family income level this report illustrates that while educational trends for both girls and boys are generally positive disparities by race ethnicity and family income level exist and are critical to understanding the landscape of education in america today two appendixes include 1 naep supplementary figures and 2 sat and act supplementary figures contains 59 figures and 25 footnotes funding for this publication was provided by lilo and gerard leeds and the mooneen lecce giving circle for the executive summary see ed501320
