this book motivates and systematically develops the view that knowledge should be at the centre of our theory of practical rationality only act on what you know the book offers the first comprehensive defence of this slogan in the form of a knowledge based decision theory the proposed view is shown to be the most straightforward explanation of emerging bodies of evidence for a link between knowledge and rational action the book provides novel solutions to well known challenges that invoke high stakes scenarios seemingly rational actions based on reasonable but false beliefs and decision making under risk and uncertainty the emerging view brings together traditional and formal approaches to epistemology and the study of practical rationality the resulting knowledge based decision theory is embedded in a rich normative landscape encompassing innovative accounts of excuses rational acceptance and the simplification of reasoning knowledge and rational action will be of great interest to researchers and graduate students interested in epistemology practical

rationality and decision theory

in this book i am writing about all the illegal and wrong things that i did from the year 1986 that i was 16 years old forward i talk about the time i spent in prison which was from 1989 until 2005 just for the reader to see the inside of how people in prison live and do i also wrote about the time after prison that i got involved in medicare scamming and it is an insight on how people where thinking at that time and how they were doing it everything i am writing in this book is to give the reader an insight of how everything was done and it s all true

this collection features stories from over 40 writers including sherman alexie junot diaz deborah eisenberg nell freudenberger matthew klam jhumpa lahiri and z z packer
