a history of royal yachts and ships of state both from britain and abroad from the norman conquest to the present day

from the time of the restoration of charles ii when he returned to england from breda and was presented with the yacht mary by the burgomaster of amsterdam royal yachts began to be defined as such in england and built with that special purpose in mind they were built luxuriously and used for royal visits to the fleet for diplomacy and for racing and cruising for pleasure charles ii took more of an interest in the sea than any other english monarch he built a fleet of royal yachts fine examples of ship design and decorative art and he can be said to have been the father of yachting and of royal yachts his successors were less keen on the sea but traveled to europe on missions of peace and war and royal yachts took part in regime change several times in 1689 queen mary was bought over to join her husband william of orange and complete the glorious revolution in 1714 george i arrived from hanover to establish a new dynasty and in 1814 in a reverse process king louis xviii was taken back to france to restore the monarchy after the defeat of napoleon this important new book is the first to describe the building and decoration of the yachts in such detail using many newly discovered sources and it is the first to describe their uses and exploits often taking their royal passengers into controversy or danger besides the yachts themselves it reveals much about the character of the kings queens and princes involved the impetuosity of the future william iv for example or his brother george iv's surprising love of sailing it describes the design accommodation and sailing of the yachts as well as their captains and crews sailing yachts came to an end when queen victoria discovered that steam power was more efficient as well as more comfortable but they revived in the form of her son edward's cutter britannia and the duke of edinburgh's bloodhound and coweslip their legacy can be seen in the widespread sport of yachting today and in the lavish superyachts of billionaires this beautifully illustrated book full of anecdote and containing detailed descriptions of dozens of royal yachts will fascinate naval historians ship modelers and indeed anyone who sets foot

aboard the deck of a modern yacht

the racing rules of sailing rrs are revised and published every four years by world sailing the international authority for the sport this pocket guide is a simplified view of the basic racing rules and has been updated to reflect the racing rules of sailing 2021 2024 it is essential reading if you are new to racing and covers the following key areas principals when boats meet penalty turns propulsion protesting the race committee for simplicity this guide does not cover all of the rules and exceptions sailors are strongly recommended to study the rya racing rules of sailing rya product code yr1 in addition to this publication accessibility screen reader friendly yes accessibility summary this publication conforms to wcag 2.0 level aa long descriptions are present accessibility features images have alternate text images have long descriptions book has table of contents accessibility hazards none accessibility conformance wcag 2.0 aa self certified by royal yachting association
