education works better when teachers can concentrate on teaching and on students instead of concentrating on meticulous implementation of ever changing political reforms of education or on laborious implementation of increasingly bureaucratic mechanical procedures which are mandated by the education hierarchy this book explains realistic practical genuine ways to improve schools this book also examines ways not to improve schools including some of the common political bureaucratic top down efforts the book emphasizes that one significant factor in actions that actually improve education is that teacher input is sought and is applied teachers based on their experiences know what works in the classroom with and for students nothing else in education matters more

lyrics sheds light on all aspects of writing lyrics for music and will make lyricists and songwriters feel more confident and creative when they tackle lyrics it s perfect for all songwriters those who don t like their own lyrics and find lyrics difficult to write experienced writers looking for a creative edge and those offering lyrics to set to music in a partnership the book discusses channeling personal experiences into lyrics overcoming writer s block the right lyrics for a bridge the separation between lyrics and poetry exploring imagery and metaphor avoiding clichés and more it also offers tips on the various styles of lyrics from protests spirituals and confessionals to narratives and comic songs new to this edition are artist and song references throughout to reflect musical history to date also a new section provides examples of taking lyric ideas right through the drafting process illustrating development and re drafting and using a handful of contrasting approaches

the abuse spectrum is a solid sphere from minuscule to beyond the outer limits of known physics abuse not only of people but of things and places this book covers all of that while incorporating many chapters beyond that topic the hope is a pushback of mischiefs a healing a curative force which goes viral rather than the virility of evil and abuse growing to encompass more and more of the world a book that has been carefully designed crafted to challenge any reader a challenge for tolerance and a challenge towards motivation to fix and properly govern oneself in a new and novel way as the universe falls in into the last day bible style prepare to be shocked horrified and cringed like never before enter the arena of these pages a contest is afoot and lively if one does when taken in its full context the words herein cannot be defeated

this book explores the practice of psychotherapy teaching and supervision via allegory metaphor and myth based upon the author's own extensive teaching and practice mark kunkel takes the reader through a series of vignettes that are windows not only into reality but also into the soul the author's approach reflects his vocational commitment to an integration of conceptualization affective involvement and application these allegories parables and myths serve to clarify and open important issues in teaching psychotherapeutic and clinical supervisory settings and are intended to be allies in individual study and group discussion alike

1 new york times bestselling author no nonsense back to basics principles to achieve excellence every day from the uber guru of business the economist no matter the ups and downs of economic indicators or the whirlwinds of new technologies the patented tom peters approach to business and management remains as effective as ever as essential for freelancers and small business owners as it is for the heads of major corporations the little big things is a rousing call to arms to american business to get back to the basics of running a successful enterprise an avowed enemy of conformism and the status quo peters shaped the idea of modern management in the little big things he offers 163 ways

to excel at the people side of business and reminds us that rather than thinking about grand outcomes we need to focus on excelling today and every day because it's the small things that customers notice it's the small things that make a lasting impression and it's the small successes that lead to something big the father of the post modern corporation los angeles times it is tom peters as consultant writer columnist seminar lecturer and stage performer whose energy style influence and ideas have most shaped new management thinking movers and shakers the 100 most influential figures in modern business buy this book stephen r covey
