designed for use by undergraduates on social policy social work and sociology courses and by students on vocational training courses including postgraduate this textbook covers all the main topics of social policy

what are social policies how are social policies created and implemented why do certain policies exist the fourth edition of this highly respected textbook provides a clear and engaging introduction to social policy the book has been thoroughly updated to include changes in social policy introduced by the coalition government incorporation of an international perspective throughout as well as a new chapter the global social policy environment updated pedagogy to stimulate thought and learning comprehensive glossary social policy is essential reading for students beginning or building on their study of social policy or welfare the wide ranging coverage of topics means that the book holds broad appeal for a number of subject areas including health social policy criminology education social work and sociology this textbook has always been a useful teaching resource because it combines substantial and engaging analysis with stand alone extracts the new edition adds a chapter on global social policy updates on the coalition government and guides to what is in the book the added activities are well thought out and can be adapted or expanded to suit the needs of particular students hedley bashforth teaching fellow in social policy university of bath uk social policy an introduction now in its fourth edition and eleventh year will remain a core social policy text on reading lists across the country due to its well written and comprehensive nature completely revised it has been updated and extended to reflect contemporary developments in social policy including the

policy implications of the coalition government and now includes a chapter on global social policy environments reflecting the continued internationalisation of social policy debates updated pedagogical features which include activities for the reader learning outcomes at the start of each chapter and detailed case studies throughout enhance this thought provoking and stimulating text dr liam foster university of sheffield uk this book provides as it states an introduction to the field and does so by adopting a highly attractive pedagogic style that evidences at every turn a sensitivity to the approaches to learning of contemporary students although it is tailored to meet the needs of primarily first year specialist students it is equally suitable for those on other programmes who are taking an option in social policy because the book anticipates theoretical issues and debates and students will confront as they progress to a more advanced level it will also retain value as be a longer term reference resource i will certainly be citing it on a second year core course i teach it is immediately clear that a great deal of thought has been invested into designing this book what blakemore and warwick booth have produced is a clearly laid out and well structured analysis of impressive breadth that is a readily accessible learning instrument both for student and teacher importantly it provides numerous opportunities to experiment with new ways of approaching the teaching of the subject each chapter sets out clearly expressed learning outcomes with a fair balance of theoretical and empirical concerns visual displays in box material graphs and flow charts provides a most effective means for absorbing the large amount of ground covered there is good incorporation of statistical material and up to date policy developments students are also encouraged to exploit useful links to internet and other media sites particularly attractive from a teaching point of view are the range of tasks set for the students which are aimed clearly at rapid capacity building chapters end by listing the key terms and concepts addressed to aid revision of material this is repeated in the glossary at the end of the book most of the materials are derived from the british context but there is also a secondary focus on eu member states and beyond as well as a good chapter on global social policy steen mangen department of social policy london school of economics and political science uk

how do human societies provide for the wellbeing of their members how far can we organise the ways in which we care for and about each other and who should take responsibility for providing the support we all need these are some of the fundamental questions addressed by social policy today in this short introduction suitable for students at any level hartley dean explains the extraordinary scope and importance of social policy he explores its foundations and contemporary significance the principal issues it addresses and their diverse economic political and sociological dimensions and concludes by looking at the fundamental challenges facing social policy in a dramatically changing world taking an innovative approach to social policy as the study of human wellbeing hartley dean examines the ways in which governments and peoples throughout the world attend to promote neglect or even undermine the things that make life worth living these include essential services such as healthcare and education the means of livelihood such as jobs and money and vital but sometimes intangible things such as physical and emotional security some of these are organised by governments and official bodies others are provided by businesses social groups community organizations neighbours and families trying to understand all these elements which together constitute human wellbeing is the stuff of social policy

includes index

originally published in 1965 social policy became a classic text and one of the best known and most widely used textbooks in social administration this routledge revival reissues the 5th edition of 1985 t h marshall s masterly and unrivalled analysis of the development of welfare

policies between 1890 and 1945 remains unchanged the second half the book with a chapter on every arm of the welfare state retains marshall s original structure but was completely rewritten and updated by a m rees considering developments to the end of 1984 an indispensable introductory text this is a key book for all students of social administration economic and social history and 20th century politics

this book is designed specifically for the new a as levels and avce in social policy sociology and health and social care it is widely used by students progressing to further study it covers all the main areas of social welfare including classic themes and debates and the new labour approach to social policy and social welfare provision it is supported throughout by topic revision features and self test opportunities to aid learning

this reissue first published in 1969 is a study of contemporary social policy in developing countries which places the emphasis upon the human needs and requirements for social change which confront any people and any government wherever their political and international affiliations lie whatever their economic and social convictions may be

the handbook of social policy is an attempt to document the now substantial body of knowledge about government social policies that has been accumulated since the study of social policy first emerged as an organized field of academic endeavor about 50 years ago the second edition offers a more streamlined format to make the book more consistent with the way most instructors teach their courses this text is a comprehensive yet accessible introduction to a vast field of endeavor that has over the years made a significant difference to the lives and the well being of the people of the united states

a practical guide to the growing influence of women on parliamentary legislation across the commonwealth and includes a study of how women s rights are promoted

the second edition of social policy and social change is a timely examination of the field unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them the new edition of this seminal text examines issues of discrimination health care housing income and child welfare and considers the policies that strive to improve them with a focus on how domestic social policies can be transformed to promote social justice for all groups jimenez et al consider the impact of globalization in the united states while addressing developing concerns now emerging in the global village

drawing on examples from around the globe this book provides a broad overview of the variety of policy frameworks that different countries have developed in the fields of health housing education employment and social security

from housing pensions and family benefits to health care unemployment insurance and social assistance the welfare state is a key aspect of our lives this book provides a concise political and sociological introduction to social policy helping readers to grasp the nature of social programs and the political struggles surrounding them

social policy reforms driven by profound social changes have been a popular and pressing topic worldwide in recent years in both policy and academic circles in this book prominent social policy scholars from europe north america and asia discuss the history of social policies compare different social development models and analyze the challenges facing these economies social policy reforms the book provides comprehensive and comparative

perspectives and updated data on social development and social policy reforms in the world's major economies and particularly in mainland China

This book explores how the policy making process is changing in the very volatile conditions of present day mainland China, Taiwan and Hong Kong. It considers the overall background conditions, the need to rebalance in mainland China after years of hectic economic growth, governance transition and democratic consolidation in Taiwan and governance crisis in Hong Kong under a regime of uncertain legitimacy. It examines the various actors in the policy making process, the civic engagement of ordinary people and the roles of legislators, mass media and bureaucracy, and discusses how these actors interact in a range of different policy cases. Throughout the book, it contrasts the different approaches in the three different jurisdictions and assesses how the policy making process is changing and how it is likely to change further.

A timely examination of social policy through a social constructivist and economic lens, Social Policy and Social Change illuminates the root causes of common social problems and how policy has attempted to ameliorate them. In so doing, the book focuses on how social policies in the United States can be transformed to promote social justice for all groups. The book uniquely offers both an historical analysis of social problems and social policies and an economic analysis of how capitalism and the market economy have contributed to social problems and impacted social policies. The book goes beyond the U.S. borders to examine the impact of globalization in the United States and in the Global South. It considers the meaning and impact of the election of Barack Obama as president of the United States and explores the policy solutions his administration has proposed to deal with the economic recession of 2008-2009. The book also discusses social workers as agents of social change and advocates of social and economic justice. It examines five key realms: poverty in families and the welfare system, poverty among the elderly and social security, child maltreatment and child welfare policy, health and mental health policy, and housing policy. Social Policy and Social Change is a primary text for social policy, social welfare policy courses in MSW programs and possibly some higher level BSW programs. It will be supplemented with a comprehensive ancillary program including a test bank, instructor's manual and student website.

Theory has rarely been so interesting, lively, engaging and real. Ruth Lister has produced a text of great scholarship and a tour de force. Saul Becker, Professor of Social Policy and Social Care, University of Nottingham, UK

This is something of a best seller and it is easy to understand why it will serve the needs of both Level 1 and other students of social policy well. It carries off the exploration of specific theoretical issues within discrete policy areas particularly well. Social Policy Administration is an extremely useful updated text for students of social policy and other related areas such as social work. The book is clearly written and enables students to develop an understanding of how and why social policies are constructed. Key points are well made and highlighted examples boxes are provided in the text. There is reference made at the end of each chapter to further reading. Bernard Melling, University of Salford. Social Policy builds on the strengths of the highly respected first and second editions to offer a broad introduction to current developments in social policy and welfare. Comprehensive, readable and thought provoking, this is the standard introductory book on social policy in the UK. It provides a framework for exploring key questions such as what are social policies, how are social policies created and implemented, why do certain policies exist. This revised edition has been expanded and thoroughly updated to reflect the latest developments in the fields of social policy and welfare. It includes a new chapter on criminal justice, revised chapters on education, community and social care and health, an updated

and expanded glossary of key terms and annotated further reading including websites annotated further reading including websites social policy is essential reading for students beginning or building on their study of social policy or welfare the book is also suitable as a reference resource for practitioners and professional policy makers in fields including health medicine and nursing housing social services and counselling education law and criminology
