in the treatment of marital problems behaviorally oriented and communication oriented approaches have been in conflict and seen as contrasting and unlikely bed partners many therapists focusing on communication skills have felt that behaviorists were too structured and uncaring on the other hand behaviorists have considered humanistic therapists as being touchy feely vague and unfocused however in the handbook of marital therapy liberman wheeler de visser and the

kuehnels have wedded these two potent approaches into an integrated framework that makes them loving bed partners with over a decade of experience in applying behaviorally oriented treatment to couples liberman and his co authors have developed an educational model that focuses on teaching specific communication skills to couples the communication skills they describe have been used extensively in all types of marital therapy regardless of the therapist's theoretical orientation the unique contribution of this book is that the authors provide a step by step approach to teaching these communication skills within a behavioral framework each chapter guides the therapist through the many issues and problems confronting him or her as a change agent this highly readable book is enhanced by a liberal use of case examples emphasis is given to homework and structured sessions that focus on increasing specific communication skills in a sequential manner the advantages of working with couples in a group setting are discussed and concrete suggestions on how to manage these groups are clearly presented

the first comprehensive resource for pastoral care in the jewish tradition and a vital resource for counselors and caregivers of other faith traditions the essential reference for rabbis cantors and laypeople who are called to spiritually accompany those encountering joy sorrow and change now in paperback this groundbreaking volume draws upon both jewish tradition and the classical foundations of pastoral care to provide invaluable guidance offering insight on pastoral care technique theory and theological implications the contributors to jewish pastoral care are innovators in their fields and represent all four contemporary jewish movements this comprehensive resource provides you with the latest theological perspectives and tools along with basic theory and skills for assisting the ill and those who care for them the aging and dying those with dementia and other mental disorders engaged couples and others and for responding to issues such as domestic violence substance abuse and disasters
