from the author of the presentation of self in everyday life stigma is analyzes a person s feelings about himself and his relationship to people whom society calls normal stigma is an illuminating excursion into the situation of persons who are unable to conform to standards that society calls normal disqualified from full social acceptance they are stigmatized individuals physically deformed people ex mental patients drug addicts prostitutes or those ostracized for other reasons must constantly strive to adjust to their

precarious social identities their image of themselves must daily confront and be affronted by the image which others reflect back to them drawing extensively on autobiographies and case studies sociologist erving goffman analyzes the stigmatized person's feelings about himself and his relationship to normals he explores the variety of strategies stigmatized individuals employ to deal with the rejection of others and the complex sorts of information about themselves they project in stigma the interplay of alternatives the stigmatized individual must face every day is brilliantly examined by one of america's leading social analysts

sexual deceit is an extended ethical analysis of the phenomenon of sexual identity passing i.e. socially presenting as x when one understands oneself as y where the variables represent any contemporary sexual identity alongside identity passing in the contexts of race gender and briefly religion and class the analysis of passing utilizes and challenges traditional moral understandings of identity falsification complicating our understandings of moral obligations under systemic oppression tracing the intervention of social construction theory on contemporary political understandings of lgbt communities and activism sexual deceit argues against social construction models of identity notably performativity promulgated by the work of judith butler and consumed and repeated by many scholars and theory educated queer people a new model of identity is constructed based on a phenomenological concept of style that provides for a socially adjustable yet rooted notion of sexual identity the ethical implications of sexual identity passing are considered in the context of eschatological images of social justice and within practical matters such as military service leadership and sexual harassment law

social interaction and english language teacher identity uses fine grained analyses of interaction in a range of teacher education and professional practice settings in elt to explore the different identities and power relationships which teachers orient to it traces the role of identity and interaction in the processes of acquiring new teaching skills and knowledge reflecting on professional practice and constructing teaching selves and explores the limits and constraints on these processes imposed by global forces such as the marketization of education the book is written for teachers teacher educators postgraduate students and researchers interested in the relationships between social interaction identity and professional practice in elt

this is an exceptional collection the subject is of obvious importance yet terribly undertheorized and unexamined i know of no

other work that offers what this collection provides marcia millman author of such a pretty face being fat in america a valuable contribution to scholarly debates on the place of excessive bodies in contemporary culture this book promises to enrich all areas of inquiry related to the politics of bodies carole spitzack author of confessing excess women and the politics of body reduction this anthology includes a wide range of perceptive and original essays which explore and analyze the underlying ideologies that have made fat incorrect echoing the spirit of the nineteenth century adage about children who should be neither seen nor heard some of the authors powerfully remind us that we keep bodies out of bound silenced and unseen unless of course we need to peek at the comic or grotesque raquel salgado scherr co author of face value the politics of beauty through textual analyses video film analyses television theory and literary theory this collection demonstrates the various ways in which dominant representations of fat and corpulence have been both demonized and rendered invisible this volume will be a crucial corollary to work on the tyranny of slenderness a collection of different perspectives on the fat body is sorely missing in women s studies communication and media studies sarah banet weiser author of the most beautiful girl in the world beauty pageants and national identity

disability is often described in a way that suggests it is a permanent relatively stable state this volume argues that the relationship between impairment physical state and disability is neither fixed nor permanent but is fluid and not easily predicted

from dams to landfill sites and power plants to radioactive waste repositories the siting of facilities is a veritable minefield of conflicts involving industry planners authorities ngos and citizens this penetrating volume examines risk power and identity in contests over the siting of infrastructure and industrial facilities going beyond nimby ism experts in a variety of fields bring a multiperspective analysis from science law and media to case studies from the uk usa and europe and expose the political and cultural dimensions of siting conflicts in the process they show how place attachment and notions of landscape and local identity play a prominent role in resistance to development topics covered include the importance of context in siting controversies siting methods and social representation siting conflicts the importance of institutional thinking in facility siting risk industrial encroachment and the sense of place siting and sacred places and law and fairness this book is essential reading for academics in social sciences policy planning law and risk policy makers planners and decision makers at all levels of government business and industry particularly energy generation including nuclear and renewables transportation and large dams risk assessment

professionals and ngos and activists

this study explores the relationship between addiction and spiritual transformation more specifically it examines how recovering drug addicts employ testimonies of conversion and addiction to develop and sustain a sense of personal unity and create meaning from varied experiences in life drawing on 31 original autobiographies the book analyzes conversion and addiction testimonies in two european contexts serbia and the netherlands series religion and biography religion und biographie vol 22

bringing together the latest research with practical insights from the authors professional experience this important book provides a context for the conversations that are needed within organisations and offers practical guidance towards action that can be taken to improve the working life of lgbtq employees the book begins by asking how we got here it outlines the development of stigma towards the lgbtq community from both a historical and psychological perspective before going on to explore the ways in which societal attitudes manifest in the work environment it then looks specifically at lgbtq experiences in the workplace covering discrimination and exclusion and their impact at both an individual and organisational level before taking an intersectional view of lgbtq identity and particularly how it interacts with race disability and age the book then provides clear and practical guidance on how to build an lgbtq inclusive workplace covering organisational policy and culture leadership and allyship throughout the authors use case studies to demonstrate how to implement policies across a range of regions and offer strategies to minimise homophobic and discriminatory attitudes taking a psychological approach to this important topic the book is essential reading for all those looking to build and sustain welcoming and inclusive workplaces across all sectors it will also be of interest to students in psychology management and human resources studying workplace attitudes and culture

through readings of an array of recent texts literary and popular fictional and autofictional realist and experimental this book maps out a contemporary western shame culture

almost 35 years before new york saw the first great battle waged by the new united states of america for its independence rumours of a slave conspiracy spread in the city leading to the conviction and execution of over 70 slaves this text retells the

dramatic story of these landmark trials

charts some of the hidden from view aspects of social research and explores many of the complex processes involved the chapters range from developing ideas and negotiating with funders to building research relationships and disseminating findings

some articles on homosexuality

this text is a critique of the debate between cognitivists and social constructionists it argues against fragmented views that the dialectic between identity and text can be reduced to mind of society body or economics nature or nurture
