reader s comments then along comes your book lands on my desk like a gift which i have barely put down since it stopped me searching for external answers helped me to dig into the knowledge philosophy and way of working which already existed in me i draw on it all the time for inspiration and a way of grounding me in the tentative moments of working towards a delicate connection with the families i encounter i have a lot to be thankful to you for i have now developed a way of working which seems helpful and which enables those around me to find a way forward but perhaps most of all i finally feel comfortable and free to be the same counsellor i am with individuals hurrah kim barber counsellor lecturers comments a fascinating book which combines couple counselling with person centred counselling will be recommended reading for social work students working with couple relationships very readable useful for students of counselling beyomd the title focus of couples and families the only book on couple and family counselling from the person centred approach this book is unique in its articulation of family therapy and the person centred approach it is also engaging in the way couples and the families come to life through charlie o leary s acute and sensitive observation it is an essential text in any person centred therapy library dave mearns university of strathclyde compelling reading i liked this book it is intelligent thought provoking occasionally funny and a delight to read i warmed to the author s passion for the work of carl rogers all relate counsellors will find something of value even the strict psychodynamic practitioners relate news the author

deserves congratulations on his easy readable style this will ensure that the book will be read rather than simply browsed by many sexual and relationship therapy provides a very good introduction for counsellors in working with families british journal of guidance counselling in this highly readable text the theory and practice of counselling couples and families are successfully integrated with principles from the rogerian person centred approach in this sense the book is unique although a lot of counsellors in fact practice relational therapy from a person centred perspective until now no basic text was available in this field alfons vansteenwegen intams review in this unique book the theory and practice of counselling couples and families are integrated with principles from the person centred approach with numerous examples from actual sessions the book clearly illustrates the key issues that couples and families face and the ways in which the counsellor can help them to resolve these to their own satisfaction written primarily from the viewpoint of working with couples and families issues specific to relational counselling are contrasted to those that arise when counselling individuals or non related groups the author then explores the process of relational counselling using the person centred principles of empathy congruence unconditional positive regard and non interference with the clients actualizing tendency

turn your relationship into a love story that lasts by improving communication strengthening your bond and creating the trust that s essential in relationships couples therapy isn t just for failing relationships even if you trust your partner to be faithful loving and committed you can still benefit from a trust tune up even if you appreciate your partner and they appreciate you you can still benefit from reconnecting every now and then even if you don t think you need couples therapy you can benefit from everything it has to teach you from staying strong when times get tough to savoring the joyful moments together relationships need to be nurtured and couples therapy can help you figure out what your unique relationship needs to thrive maybe you ve thought about therapy for couples in the past but you didn t think it would work for you maybe you didn t want to share your troubles with a total stranger that s where this book comes in the advice in this book will act as your counselor and guide you along as you learn to be a loving partner and build a stronger relationship through simple exercises designed with couples in mind you ll be given the tools you need to be open and honest with yourself and your partner and begin to look at your relationship through new eyes in addition you ll discover research backed advice from a professional relationship counselor how external influences can affect your relationship and how to defend against them worksheets to help you through the relationship exercises questions to ask your partner to increase communication apps and tools to help you through your couples therapy journey and much much more as a bonus you ll also learn about the famous love languages and how you can use them to create a stronger bond if you don t take time to examine and tend to your relationship you ll never find out how fulfilling and rewarding it can be to experience a relationship filled with trust and contentment forget what you ve thought about couples therapy in the past and focus on the present to build a better relationship for the future to become a more loving partner and to receive unconditional

trusting love in return click add to cart
