bringing reggio emilia home is the first book to integrate the experiences of one american teacher on a year long internship in the preschools of reggio with a four year adaptation effort in one american school the lively text includes many mini stories of preschool and kindergarten age children teachers and parents who embark on journeys of learning together these journeys take shape in language in drawings in tempera paint and clay in outdoor excursions and in the imaginations of both the children and adults this informative and accessible work features photographs of the children both in italy and the united states and samples of the children s work including some in full colour during the past 10 years there has been a tremendous interest among early childhood educators and parents in the innovative approaches to teaching pioneered in the preschools of reggio emilia italy this book is a must read for anyone interested in the reggio approach teachers especially those in early childhood teacher educators policy makers administrators and parents will find it invaluable

the early childhood programme of reggio emilia in italy is acclaimed as one of the best education systems in the world and this book offers the unique insight of carlina rinaldi the former director of the municipal early childhood centres in reggio emilia and successor to loris malaguzzi one of the twentieth century s leading pedagogical thinkers rinaldi has an enviable international reputation for her contribution to the reggio approach and has given talks on the topic around the world a collection of rinaldi s most important works this book is organized thematically with a full introduction contextualising each piece it closes with an interview by series editors peter moss and gunilla dahlberg looking at rinaldi s current work and reflections on reggio s past present and future much of this material is previously unpublished and focuses on a number of questions what were the ideas and legacy of loris malaguzzi what is unique about reggio emilia what are the issues in education today and what does it mean to be a teacher how can educators most effectively make use of creativity

providing an overview of the historical and social background of the reggio approach this book encourages practitioners to look at their

individual settings and existing practice in relation to the approach

why does the city of reggio emilia in northern italy feature one of the best public systems of early education in the world this book documents the comprehensive and innovative approach that utilizes the hundred languages of children to support their well being and foster their intellectual development educators in reggio emilia italy use a distinctive innovative approach that supports children s well being and fosters their intellectual development through a systematic focus on symbolic representation from birth through age six young children are encouraged to explore their environment and express their understanding through many modes of expression or languages including verbal communication movement drawing painting sculpture shadow play collage and music this organic strategy has been shown to be highly effective as the children in reggio emilia display surprising examples of symbolic skill and creativity this book describes how the world renowned preschool services and accompanying practical strategies for children under six in reggio emilia have evolved in response to the community s demographic and political transformations and to generational changes in both the educators and the parents of the children the authors provide the reader with a comprehensive introduction to the reggio emilia experience and address three of the most important central themes of the work in reggio in detail teaching and learning through relationships the hundred languages of children and how this concept has evolved and integrating documentation into the process of observing reflecting and communicating

the documentation of young children s learning plays a vital role in the pre schools of reggio emilia this leading edge approach to bringing record keeping and assessment into the heart of young children s learning is envied and emulated by educators around the world the fully revised 2nd edition of an encounter with reggio emilia is based upon a documentary approach to children s learning successfully implemented by stirring council in scotland whose pre school educators experienced dramatic improvements in their understandings about young children how they learn and the potential unleashed in successfully engaging families in the learning process this approach which is based on careful listening to children and observation of their interests and concerns centres around

recording and commentating on children's learning through photos wall displays videos and a variety of different media the authors include chapters on why early years educators should use documentation as a means to enhance young children's learning the values principles and theories that underlie the reggio approach how to implement documentations into any early years setting with real life case studies and hints for avoiding common pitfalls how to involve inspire and enthuse families and the wider community this text is an important read for any individual working with young children or interested in the using the reggio inspired approach in their early years settings

have you ever wondered what the reggio approach is all about why it works and how it can be used to benefit the young children in your setting the book describes how educators in reggio emilia work with young children and looks at the connections between the reggio approach and the revised early years foundation stage framework it provides practical examples involving children of different ages in a wide variety of settings helping the reader to see the connection between practice and theory this new edition has been fully updated to show the increasingly mirroring connections between the reggio approach and the principles and commitments of the recently revised early years foundation stage eyfs framework each chapter focuses on one important aspect of the reggio approach and includes practical examples involving children of different ages in a wide variety of settings helping the reader to see the connection between practice and theory questions to enable the reader to reflect on and develop his or her own practice in accordance with new statutory requirements references to sources of further reading and information this convenient guide will help early years practitioners students and parents to really understand what the reggio approach can offer their setting and children

the city run early childhood program of reggio emilia italy has become recognized and acclaimed as one of the best systems of education in the world over the past forty years educators there have evolved a distinctive innovative approach that supports children's well being and fosters their intellectual development through a systematic focus on symbolic representation young children from birth to age six are encouraged to explore their environment and express themselves through many languages or modes of expression

including words movement drawing painting sculpture shadow play collage and music leading children to surprising levels of symbolic skill and creativity the system is not private and elite but rather involves full day child care open to all including children with disabilities this new second edition reflects the growing interest and deepening reflection upon the reggio approach as well as increasing sophistication in adaptation to the american context included are many entirely new chapters and an updated list of resources along with original chapters revised and extended the book represents a dialogue between italian educators who founded and developed the system and north americans who have considered its implications for their own settings and issues the book is a comprehensive introduction covering history and philosophy the parent perspective curriculum and methods of teaching school and system organization the use of space and physical environments and adult professional roles including special education the final section describes implications for american policy and professional development and adaptations in united states primary preschool and child care classrooms

one city many children recounts the story of the birth and development of reggio emilia s early years services the nido and scuola d infanzia a research project bringing together the voices and thoughts of many protagonists and which refers to many sources the narrative builds on the one city many children exhibition on permanent display at the loris malaguzzi international centre in reggio emilia and is developed through a number of broad themes city and family participation the active role of women and women s movements the politics of education in the city s municipal administration the ties between pedagogy and politics the originality of the pedagogical thinking of loris malaguzzi and the reggio emilia education project and the strongly international identity of what is a local experience back cover

the documentation of young children s learning plays a vital role in the pre schools of reggio emilia this leading edge approach to bringing record keeping and assessment into the heart of young children s learning is envied and emulated by educators around the world this unique accessible and inspiring book is based upon a documentary approach successfully implemented by stirring council in

scotland whose pre school educators experienced dramatic improvements in their understandings about young children how they learn and the potential unleashed in successfully engaging families in the learning process this approach which is based on careful listening to children and observation of their interests and concerns centres around recording and commentating on children s learning through photos wall displays videos and a variety of different media the authors both experienced educators include chapters here on why early years educators should use documentation as a means to enhance young children s learning the values principles and theories that underlie the reggio approach how to implement documentations into any early years setting with real life case studies and hints for avoiding common pitfalls how to involve inspire and enthuse families and the wider community

since 1963 when the italian municipality of reggio emilia began setting up its network of educational services for 0 6 year olds the reggio approach has gained worldwide recognition numerous visitors have been impressed by the acknowledgement given to the potential of children the organisation and quality of the environments created the promotion of collegiality and a climate of co participation of families in the educational project this book reflects the impressions and experiences of the reggio emilia approach gained by a range of early childhood educators following a study visit to the region it focusses on key issues such as staffing training working with parents play learning the culture of early childhood and special educational needs from a variety of perspectives and will provide a welcome challenge to thinking for both practitioners and policy makers

the reggio emilia approach is reintroduced in this book through rich stories and examples of children s projects that invite readers to examine their personal learning process it offers innovative ways to meld theory with teaching and action research while considering the professional development of each reader pre service in service teacher educator teacher researcher unlike other texts on reggio emilia it considers assessment cultural diversity and teaching issues from a u s perspective the place of reggio emilia in the united states amiable communities for learning teacher education inquiry teaching and the possibilities for change progettazione and documentation learning moments among protagonists

practical ways to bring the practices of reggio emilia to your classroom

this critically acclaimed lavishly illustrated book will help educators create the highest quality learning opportunities for a new generation of children the second edition features substantial and important changes including the addition of new chapters by pioneers of the work that happens in the atelier who draw on several decades of experience the atelier or studio is a key element of the renowned preschools and infant toddler centers of reggio emilia italy this beautiful full color resource explores how the experiences of children interacting with rich materials in the atelier affect an entire school's approach to the construction and expression of thought and learning the authors provide examples of projects and address practical aspects of the atelier including organizing the environment and using materials no other book presents a more thorough examination of the philosophy practice and essential influence of the reggio inspired studio contributors pauline baker barbara burrington george forman susan harris mackay giovanni piazza carlina rinaldi lori geismar ryan and vea vecchi this book's great illustrations and enthusiasm for learning make it difficult to put it back on the shelf schoolarts brims with suggestions and examples of projects and testimonies and should become a requirement for all graduate students entering the education field journal of the association for childhood education international will help to promote a vibrant and creative approach to learning that will enrich american children's educational experience barbara and eric carle author and illustrator of the very hungry caterpillar

authorized teaching resource in alberta for kindergarten 1997 2002

the documentation of young children's learning plays a vital role in the pre schools of reggio emilia this leading edge approach to bringing record keeping and assessment into the heart of young children's learning is envied and emulated by educators around the world this inspiring book is based upon a documentary approach successfully implemented by stirling council in scotland whose pre school educators experienced dramatic improvements in their understandings about young children how they learn and the potential unleashed in successfully engaging families in the learning process this approach which is based on careful listening to children and

observation of their interests and concerns centres around recording and commentating on children's learning through photos wall displays videos and a variety of different media this follow up text is an accessible and lively companion to the an encounter with reggio emilia children's early learning made visible it will encourage the reader to develop a deeper understanding of the approach and will show how the authors have seen a complete paradigm shift for those already working with documentation as a result of the guidance laid out in their previous book drawing on the experiences of practitioners and collaborators the authors offer a framework from which any early years educator can easily adapt and develop in their own educational setting

this book explores the contribution of and art and creativity to early education and examines the role of the atelier an arts workshop in a school and atelierista an educator with an arts background in the pioneering pre schools of reggio emilia it does so through the unique experience of vea vecchi one of the first atelieristas to be appointed in reggio emilia in 1970 part memoir part conversation and part reflection the book provides a unique insider perspective on the pedagogical work of this extraordinary local project which continues to be a source of inspiration to early childhood practitioners and policy makers worldwide vea's writing full of beautiful examples draws the reader in as she explains the history of the atelier and the evolving role of the atelierista key themes of the book include processes of learning and knowledge construction the theory of the hundred languages of childhood and the role of poetic languages the importance of organisation ways of working and tools in particular pedagogical documentation the vital contribution of the physical environment the relationship between the atelier the atelierista the school and its teachers this enlightening book is essential reading for students practitioners policy makers and researchers in early childhood education and also for all those in other fields of education interested in the relationship between the arts and learning
