at least 200 000 250 000 people died in the war in bosnia there are three million child soldiers in africa more than 650 000

civilians have been killed as a result of the u s occupation of iraq between 600 000 and 800 000 women are trafficked across borders every year money laundering represents as much as 10 percent of global gdp internet child porn is a 20 billion a year industry these are big attention grabbing numbers frequently used in policy debates and media reporting peter andreas and kelly m greenhill see only one problem these numbers are probably false their continued use and abuse reflect a much larger and troubling pattern policymakers and the media naively or deliberately accept highly politicized and questionable statistical claims about activities that are extremely difficult to measure as a result we too often become trapped by these mythical numbers with perverse and counterproductive consequences this problem exists in myriad policy realms but it is particularly pronounced in statistics related to the politically charged realms of global crime and conflict numbers of people killed in massacres and during genocides the size of refugee flows the magnitude of the illicit global trade in drugs and human beings and so on in sex drugs and body counts political scientists anthropologists sociologists and policy analysts critically examine the murky origins of some of these statistics and trace their remarkable proliferation they also assess the standard metrics used to evaluate policy effectiveness in combating problems such as terrorist financing sex trafficking and the drug trade

despite a voluminous literature detailing the procedures of research ethics boards and institutional ethical review processes there are few texts that explore the realpolitik of conducting criminal research in practice this book explores the unique lived experiences of scholars engaging with ethics during their criminological research and focuses on the ethical dilemmas that researchers encounter both in the field and while writing up results for publication who benefits from criminological research what are the roles and impacts of ethics review boards how do methodological and theoretical decisions factor in to questions of ethical conduct and research ethics governance this book is divided into four parts part i institutional arrangements and positionality explores the ongoing and expanding process of ethics protocol and procedures principles of confidentiality and the positionality of the researcher part ii trust and research with vulnerable populations examines the complexity of work involving prisoners indigenous peoples and victims of extreme violence power dynamics between researchers and participants and the challenges of informed consent part iii research on and with police reflects on the importance of transparent relations with police best practices and the consequences of undertaking research in authoritarian contexts part iv emerging areas scrutinizes the ethics of carceral tours and suggests possible alternatives and offers one of the first sociological and criminological examinations of dark net cryptomarkets drawing upon the experiences of international experts this book aims to provoke further reflection on and discussion of ethics in practice this book is ideal for students undertaking courses on research methods in criminology as well as a key resource for criminology researchers around the world

the book consists of the keynote papers delivered at the 2012 wg hart workshop on globalisation criminal law and criminal

justice organised by the queen mary criminal justice centre the volume addresses from a cross disciplinary perspective the multifarious relationship between globalisation on the one hand and criminal law and justice on the other hand at a time when economic political and cultural systems across different jurisdictions are increasingly becoming or are perceived to be parts of a coherent global whole it appears that the study of crime and criminal justice policies and practices can no longer be restricted within the boundaries of individual nation states or even particular transnational regions but in which specific fields to what extent and in what ways does globalisation influence crime and criminal justice in disparate jurisdictions which are the factors that facilitate or prevent such influence at a domestic and or regional level and how does or should scholarly inquiry explore these themes these are all key questions which are addressed by the contributors to the volume in addition to contributions focusing on theoretical and comparative dimensions of globalisation in criminal law and justice the volume includes sections focusing on the role of evidence in the development of criminal justice policy the development of european criminal law and its relationship with national and transnational legal orders and the influence of globalisation on the interplay between criminal and administrative law

shortlisted for the 2013 orwell prize the story continues two new chapters for the paperback edition in 1986 kris maharaj a british businessman living in miami was arrested for the brutal murder of two ex business associates his lawyer did not present a strong alibi kris was found guilty and sentenced to death in the electric chair it wasn't until a young lawyer working for nothing clive stafford smith took on his case that strong evidence began to emerge that the state of florida had got the wrong man on death row so far so good except that as stafford smith argues here so compellingly the american justice system is actually designed to ignore innocence twenty six years later maharaj is still in jail step by step stafford smith untangles the maharaj case and the system that makes disasters like this inevitable his conclusions will act as a wake up call for those who condone legislation which threatens basic human rights and at the same time the personal story he tells demonstrates that determination can challenge the institutions that surreptitiously threaten our freedom

Tips for Maximizing Your Ebook Experience

To make the most out of your ebook reading experience, consider these tips.

Choosing the Right Device

Whether it's a tablet, an e-reader, or a smartphone, choose a device that offers a comfortable reading experience for you.

Organizing Your Ebook Library

Use tools and apps to organize your ebook collection, making it easy to find and access your favorite titles.

Syncing Across Devices

Many ebook platforms allow you to sync your library across multiple devices, so you can pick up right where you left off, no matter which device you're using.

Challenges and Limitations

Despite the benefits, free ebook sites come with challenges and limitations.

Quality and Availability of Titles

Not all books are available for free, and sometimes the quality of the digital copy can be poor.

Digital Rights Management (DRM)

DRM can restrict how you use the ebooks you download, limiting sharing and transferring between devices.

Internet Dependency

Accessing and downloading ebooks requires an internet connection, which can be a limitation in areas with poor connectivity.

Future of Free Ebook Sites

The future looks promising for free ebook sites as technology continues to advance.

Technological Advances

Improvements in technology will likely make accessing and reading ebooks even more seamless and enjoyable.

Expanding Access

Efforts to expand internet access globally will help more people benefit from free ebook sites.

Role in Education

As educational resources become more digitized, free ebook sites will play an increasingly vital role in learning.

Conclusion

In summary, free ebook sites offer an incredible opportunity to access a wide range of books without the financial burden. They are invaluable resources for readers of all ages and interests, providing educational materials, entertainment, and accessibility features. So why not explore these sites and discover the wealth of knowledge they offer?
