in this volume patrick d miller studies the ten commandments as ancient document and as contemporary guide with careful attention to each commandment in its original context this book shows the reader the modern relevance of these basic principles as well as how the ideas of each commandment influenced the new testament more than an intellectual exercise the ten commandments applies the call of the commandments to modern day issues westminster john knox press is proud to introduce an exciting new phase in the renowned interpretation commentary series instead of focusing on individual books of the bible these new volumes will focus on the bible s most enduring passages and most vital themes bringing to these topics the insight and faithful wisdom that are longtime hallmarks of the interpretation series this expanded interpretation series will be an excellent resource for all those who teach preach and study the bible

the ten commandments and human rights sets out to evaluate the importance of the ten commandments for the life of faith today the general thesis is that the commandments are immensely important not only for jews and christians but for all persons seeking to find or to reaffirm a moral foundation for their life and for the life of their children their religious community and their society the fact that the commandments are put negatively is immensely important for it means that the community that claims these commandments and builds on them has to work out for itself the positive import of not having other gods not worshipping idols not profaning the sabbath not killing and stealing and committing adultery put negatively these commitments become the groundwork for a humanly free and responsible search for the will of god for individual family and corporate life today and in any day it is true that the commandments originate in ancient israel are central to the faith of prophets priests and sages and are claimed and made foundational by jesus for the christian community but these commandments also share much with for example the universal declaration of human rights which has been presented by the united nations for adoption by all the nations of earth the ten commandments and human rights seeks to show how to avoid

moralistic use of the ten commandments in religious life today while still affirming that there are absolutely foundational prohibitions that can and must guide the moral life of all peoples the ten commandments need very little revision in order to become such a foundation for a free and responsible life today

the ten commandments were not meant for the times of the prophet mooses nor the times of the old testament but were rather addressed to every generation till heaven and earth pass away one jot or one tittle will by no means pass from the law matt 5 18 through christianity the ten commandments were given a new meaning which coincided with the new standards understood by the believers in the new testament so the commandments remain the same but their concept widens as god grants with his grace an opportunity for meditation how true then was the prophet david when he said i have seen the consummation of all perfection but your commandment is exceedingly broad ps 119 96 this series of lectures were given in 1967 and have been published more than once pope shenouda iii

can we really expect an ancient list of do s and don ts to apply to life in the twentyfirst century j john believes that far from being outdated or irrelevant god s ten commandments represent the best compass for a society that is lost in a thick moral fog imagine a world where people loved each other what would it look like how would people behave towards one another j john explores an ancient code of behaviour that provides a window on life as it should be life as it could be where respect for others and for god determines everything we do the name that code normally goes by is the ten commandments but be prepared for a few surprises

a discussion of each of the ten commandments and its connections with the remainder of the law of mooses the teachings of the prophets and the new covenant revelation

can you find a proven source for lasting standards and values god revealed the heart of his standards the ten commandments long ago at mount sinai but what sets them apart from man made rules and guidelines what do they reveal about nature of god himself in this booklet you ll discover the answers to these questions and more inside this booklet the first commandment what is our greatest priority the second commandment what is god like the third commandment from profanity to praise the fourth

commandment key to a relationship with our creator the fifth commandment a foundation for success sixth commandment life is a precious gift seventh commandment protect the marital relationship eighth commandment practice giving rather than getting ninth commandment truth as a way of life tenth commandment true righteousness comes from the heart does the new covenant abolish the commandments view or download other free booklets at ucg.org

offering a host of classic and new essays surveying the scholarly ethical and biblical debate surrounding the ten commandments william brown organizes his volume into three parts the history of interpretation contemporary reflections on the decalogue as a whole and contemporary reflections on individual commandments a useful addition to ethics as well as old testament and hebrew bible courses brown's the ten commandments will be a standard reference for all decalogue research as it facilitates a helpful balance between moral theological and biblical study the library of theological ethics series focuses on what it means to think theologically and ethically it presents a selection of important and otherwise unavailable texts in easily accessible form volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field

presented are seminal discussions by leading scholars covering a spectrum of tradition and providing valuable insights into the ten commandments

god has given us ten simple rules to follow that we may have life and have it more abundantly from the time he unveiled the ten commandments to the children of israel at mount sinai until now god's people have been identified by the fact that they follow his commandments the ten commandments are the christian's code of conduct that separates us from the rest of the world and serves as a barometer of our allegiance to the creator of the universe ten commandments the christian code of conduct examines the commandments of god and how they apply to the christian life the book also addresses one of the most misunderstood commandments the fourth commandment and the call to observe the biblical sabbath many christians differ on their interpretation of this commandment but through a clear study of the bible this book points to the truth of the sabbath and the importance for christians to follow all ten

commandments as the end of the world draws near those who will be ready for christ s return are those who keep the commandments of god and the faith of jesus rev 14 12 may god s followers be found keeping all ten of his commandments

enjoy having a full color fold out chart that gives an in depth look at the ten commandments covering the meaning key principles biblical and modern day examples jesus teachings and more each commandment has both the traditional and contemporary wording includes an explanation of each one and why it is important today contains modern and biblical examples of each commandment covers commandments about our relationship to godcommandments about our relationship to other peoplejesus and the ten commandmentshistory of the ten commandments and why they were revolutionary for their time 14 panels fits inside most bibles 8 5 x 5 5 inches unfolds to 38 inches long 4 key features of the ten commandments pamphlet from rose publishing quick reference includes a chart packed with simple summaries and explanations to quickly find information on each commandment key principles bible examples jesus teachings scriptures and explanations at a glance easy to read designed with clear headings outlines and easy to read fonts fascinating facts packed with fascinating facts such as jesus said that every commandment in the bible hangs on two basic principles loving god and loving others relevant practical filled with relatable and modern day examples to help you apply each commandment to your life the ten commandments is an ideal bible study resource for youth and adults this 14 panel pamphlet can be read in 30 minutes and shows both the traditional and contemporary wording of each of the ten commandments a principle and the meaning of each commandment what jesus taught about the commandments and why the ten commandments are important today perfect for group and individual bible studychurch librariesyoung adults groupsnew believersto hand to a friendand more

learn the story behind the ten laws that have been the guiding light of judeo christian belief not just about moses whose origin story leaves open questions this book looks back at the time when the commandments were written how the belief in one all powerful god set the israelites apart from other ancient peoples and the roles the ten commandments have played in judaism christianity and islam it also looks at what each individual commandment means and how together they form the basis of leading

a moral life as well as forming a just government

are the commandments really written in stone a biblical scholar offers an engrossing and enlightening guide to one of the world's great legal codes booklist in this lively provocative book michael coogan takes us into the ancient past to examine the ten commandments also known as the decalogue how among all the laws reportedly given on mount sinai did the ten commandments become the ten commandments when did that happen there are several versions of the decalogue in the old testament so how have different groups determined which is the most authoritative why were different versions created coogan discusses the meanings the ten commandments had for audiences in biblical times and observes that the form of the ten proscriptions and prohibitions was not fixed as one would expect since they were purported to have come directly from god nor were the commandments always strictly observed in later times as well jews and especially christians ignored and even rejected some of the prohibitions although the new testament clearly acknowledges the special status of the ten commandments today it is plain that some of the values enshrined in the decalogue are no longer defensible such as the ownership of slaves and the labeling of women as men's property yet in line with biblical precedents the author concludes that while a literal observance of the ten commandments is misguided some of their underlying ideals remain valid in a modern context

the ten commandments by monsignor charles pope is a powerful in depth investigation into the decalogue pope expertly and lovingly dives into the ten commandments illuminating their eternal importance to the spiritual life while relating them to our modern day to day struggles

a history of the ten commandments with a modern moral code traces the way the ten commandments god gave to moses on mt sinai in the 13th century bc changed through the ages analyzing the seventeen versions of the decalogue which now exist the author also presents a moral code which is related to the mosaic decalogue but is not religious and should therefore be acceptable for public display in the secular world the book features photographs of plaques depicting the ten commandments with interesting eleven commandment variations on display throughout the country written for a broad

audience ranging from sunday school teachers and scholars to the average reader this book is essential reading for those seeking to discover information about the greatest document in human history and wanting to learn about a new moral standard desperately needed in the ethically corrupt world of the present day

in this book eminent jewish and christian scholars come together to illuminate the ten commandments roger van harn has arranged the volume so that writers from both traditions dialogue over each of the ten words a christian or a jew writes a penetrating essay about one of the commandments followed by a shorter response from a member of the other tradition all done remarkably without sacrificing either jewish or christian identity unique for its authentic interfaith dialogue on dogmatic matters the ten commandments for jews christians and others offers pertinent guidelines for believing jews and christians today with the goal of stimulating deeper conversation between the two groups as van harn says listening to one another may hold pleasant surprises that open us to new possibilities

examines issues surrounding the place of the ten commandments in american society and their application in secular law covering such issues as the separation of church and state capital punishment and prayer in public schools
