in view from mount diablo class and racial privilege and the resentments they provoke underscore both turmoil in wider society and the relationships at the heart of the narrative between adam cole a dreamy white boy driven by personal tragedy to crusading journalism squint eyed nellie simpson once a servant then a political enforcer and stuttering nathan gardener and groom turned cocaine baron beyond this trio is a dazzling array of real and fictitious characters the annotated edition by john lennard professor of british and american literature at uwi mona in kingston allows the full scope of the verse novel to emerge for readers unfamiliar with jamaican history since the 1930s

the guyanese poet martin carter was without question one of the major poets of the english language of our time in the caribbean carter has long been regarded as one of the great poets who chronicled the journey from colonialism to independence alongside such figures as aime cesaire derek walcott nicholas guillen and kamau brathwaite while his earlier poems have become classics of socialist literature translated into many languages and are among the foundation stones of caribbean poetry they have hardly been acknowledged in more general accounts of poetry in english it was too easy for lazy critics and anthologists to dismiss him as merely a political poet one who swore as he put it in one poem to use his shirt as a banner for the revolution in fact looking at carter s work overall it is hard to think of a contemporary poet writing in english who showed more concern for craft who

measured his utterance with greater care his later work while it never lost its political edge was more oblique and cerebral than the overtly political poems of his youth it sits comfortably alongside that of fellow south american poets valejo neruda and paz they are his contemporaries in every sense his work is of that originality stature and elemental force this book sets out to celebrate martin carter s life and work and to establish a context for reading his poetry it locates the several facets of carter s work in the historical and cultural circumstances of his time in guyana in the caribbean it includes essays by many leading academics and scholars of caribbean literature and history it is distinguished particularly by a collection of responses to carter s work by other creative writers both his contemporaries and a younger generation for whom carter s work and commitment has been a powerful influence on their own thinking and practice as well as demonstrating the profound respect in which he is held as a writer what emerges most strongly from this group of essays and poems from his fellow writers is the extent to which he was loved and admired as a man who despite the turmoil guyana has experienced over the last fifty years remained true to his fundamental belief in the dignity of humankind contributors include john agard edward baugh kamau brathwaite stewart brown jan carew david dabydeen fred d aguiar kwame dawes michael gilkes stanley greaves wilson harris roy heath kendel hippolyte louis james linton kwesi johnson eusi kwayana george lamming ian mcdonald mark mcwatt mervyn morris grace nichols ken ramchand gordon rohlehr rupert roopnaraine andrew salkey and many others all are involved is a difficult book to review its contents are so packed so vital the statements so well made that paraphrasing them becomes an act of egregious violence here is martin carter that gifted paradoxical man p 45 that friendly dreamful dangerous man p 370 analysed extolled lavished with the recognition which eluded him in life because of the politics of his poetry and the poignant truth and moral force of that politics this book demonstrates how wrong we were to have neglected carter s voice how diminished all are involved is a treasure so empowering a tribute we pay through martin carter to all that is human in us it is a most enduring legacy niyi osundare world literature today stewart brown is the editor of several major anthologies as well as critical studies of derek walcott kamau brathwaite and martin carter
