this book focuses on how sign language ideologies influence manifest in and are challenged by communicative practices sign languages are minority languages using the visual gestural and tactile modalities whose affordances are very different from those of spoken languages using the auditory oral modality

reggie rego kelleher is a deaf american sign language professor who is very unhappy with his girlfriend and how he is living his life he has closed himself off emotionally to everyone except his parents he is shocked by a conversation he has with his father who reveals to him a secret about the family that rocks him to the core then he has a harrowing near death experience which forces him to re evaluate his lifes priorities after being in a coma and meeting his deceased relatives along with a totally unexpected visitor from the beyond he comes out a much changed person with a new romantic interest and a brand new outlook on his job at a community college in las vegas

teaching and learning signed languages examines current practices contexts and the research nexus in the teaching and learning of signed languages offering a contemporary international survey of innovations in this field

answers to some of the most commonly asked questions about the deaf community its culture and the deaf reality

as more and more secondary schools and colleges accept american sign language asl as a legitimate choice for second language study learning to see has become even more vital in guiding instructors on the best ways to teach asl as a second language and now this groundbreaking book has been updated and revised to reflect the significant gains in recognition that deaf people and their native language asl have achieved in recent years learning to see lays solid groundwork for teaching and studying asl by outlining the structure of this unique visual language myths and

misconceptions about asl are laid to rest at the same time that the fascinating multifaceted elements of deaf culture are described students will be able to study asl and gain a thorough understanding of the cultural background which will help them to grasp the language more easily an explanation of the linguistic basis of asl follows leading into the specific and above all useful information on teaching techniques this practical manual systematically presents the steps necessary to design a curriculum for teaching asl including the special features necessary for training interpreters the new learning to see again takes its place at the forefront of texts on teaching asl as a second language and it will prove to be indispensable to educators and administrators in this special discipline

the time has come for a new in depth encyclopedic collection of articles defining the current state of deaf studies at an international level and using the critical and intersectional lens encompassing the field the emergence of deaf studies programs at colleges and universities and the broadened knowledge of social sciences including but not limited to deaf history deaf culture signed languages deaf bilingual education deaf art and more have served to expand the activities of research teaching analysis and curriculum development the field has experienced a major shift due to increasing awareness of deaf studies research since the mid 1960s the field has been further influenced by the deaf community s movement resistance activism and politics worldwide as well as the impact of technological advances such as in communications with cell phones computers and other devices a major goal of this new encyclopedia is to shift focus away from the medical pathological model that would view deaf individuals as needing to be fixed in order to correct hearing and speaking deficiencies for the sole purpose of assimilating into mainstream society by contrast the deaf studies encyclopedia seeks to carve out a new and critical perspective on deaf studies with the focus that the deaf are not a people with a disability to be treated and cured medically but rather are members of a distinct

cultural group with a distinct and vibrant community and way of being

an introduction to american sign language this program supplements and reinforces classroom instruction and provides a way to review practice and retain what has been learned
