the award winning elfin trilogy in a complete box set elves both dark and light operate in secret to control some of the largest businesses in or our world when teenager cassie tate

inadvertently witnesses a meeting of the alluring creatures at her father's office her life immediately becomes forfeit but she is saved by the most unlikely of heroes triktapic an elfin assassin the service of the dark elf king when trik realizes cassie is his chosen his loyalties become divided will trik continue to serve his dark nature or will he choose the one destined for him and leave his life of darkness behind his decision just might cost them both their lives follow trik and cassie's adventures as they are swept up into an ages old conflict between the light and dark elves the fate of humans and elves alike will hinge upon the decisions they make and ultimately their love for one another

the events chronicled herein occur after the destruction of reyaz the warlock which was recounted in sacrifice of love a few months of peace were enjoyed by the various supernatural races before an increase in attacks by vampires in the human realm which was recounted in den of sorrows forces the elves fae and werewolves to go to battle once again duty sacrifice service and discipline these were the characteristics that described cyn the warrior fae though love was out of her reach she thought this life was all she needed she had never been more wrong a chance meeting with the prince of the elves turns her carefully structured world upside down thalion is loyal to his people above all else as the prince of the elves it is his duty to protect them his loyalty has never been in question but then he's never met anyone like cyn before the destiny of both their races may hinge on whether an elf and a fae can overcome their differences and face an uncertain future together

jacque's mind wandered as she hovered somewhere between life and death her body longed to let go to sink into the peaceful abyss to the place where she didn't have to worry about rabid child snatching vampires and the carnage they'd caused to so many innocent families but something kept her here tethered to this world something she couldn't quite remember hovered just on the edge of her consciousness something vital it wasn't fane he would be with her on the other side she knew that if she died he died too and he wouldn't have it any other way she could feel peri's presence in her body the fae was fighting expending every ounce of her energy to keep her and fane alive and the strain was taking its toll on the fae but why why was the fae fighting as if her own life depended upon jacque's survival jacque was starting to remember someone else someone that depended on her a brand new life precious and perfect her son costin's best friend lay as if sleeping clinging to life by a mere thread held at the other end by the powerful fae but the thread holding costin to his own sanity was just as feeble sally his world his light his brown eyes the only thing that keeps the darkness at bay was gone simply vanished costin didn't know how or where and it was tearing him up inside the young boy titus his adopted son was the only thing that kept his wolf from taking over completely

costin would be strong for the boy for as long as he could but he wasn't sure how long he could keep the feral would at bay bethany the brave young girl that had been rescued from the clutches of the vampire coven to which she'd served as food for the past seven years was now sharing a room with her true mate with absolutely no understanding of what that meant though the girl had proven to be resilient she had no idea how to handle her the huge dominating werewolf that had staked his claim on her drake was past the point of feral when he'd found her and that kind of darkness doesn't let go without a fight the strongest of alpha females raised with a full understanding of pack law and the power of the mate bond would have had a tough time dealing with the wolf bethany a dormant who had no idea who or what she was didn't stand a chance

the last few days have been the darkest of sally's life after experiencing the joy of finding her mate she now suffers the pain of losing everything she holds dear both the romanian and serbian packs have been captured ripping sally's soul mate away from her almost as soon as she had found him her best friend and the emotional glue that usually holds sally together jacque pierce lies writhing in a restless coma having been put down by desdemona's dark magic jennifer adams the unshakable one has revealed to her friends and her mate that she is pregnant but the fates have marked her unborn baby for death though she rails against the darkness deep inside jen knows that decebel's baby must die as payment for her own life and the knowledge is tearing her soul to pieces
