drawing on international perspectives and research this book explores the experiences of sex and sexuality in individuals and groups living with hiv in later life 50

explore pastoral strategies for dealing with mental health problems mental health is increasingly being recognized as an important issue in later life this valuable book will help you examine this dimension of aging in the context of pastoral spiritual and cultural issues it explores the relationship between mental health spirituality and religion in later life including the search for meaning cultural issues spiritual issues depression dementia and issues of suicide in older people the first part of mental health and spirituality in later life focuses on theology ethics and cultural issues in mental health and aging the second part addresses issues of multidisciplinary practice including a challenging chapter written by a woman with early onset dementia alzheimer s and other chapters that present

perspectives on the uses and meanings of ritual and symbolism in mental health and pastoral approaches to care part one of mental health and spirituality in later life deals with issues of theology culture and mental health in later life focusing on the importance of a richly textured understanding of personhood as a prerequisite for constructing a picture of late life mental health in the context of theology the relationship between culture spirituality and meaning for older immigrants and their effects on mental health the adverse effects of a mental health system that reflects only the dominant culture of a society leaving minority cultures vulnerable to misdiagnosis and inappropriate treatments that can do more harm than good a wholistic picture of aging that moves beyond the biomedical paradigm and demonstrates the power and potential of the human spirit in adjusting to and moving beyond suffering part two of this valuable book addresses issues of concern to practitioners in mental health and spirituality for the aging including disruptive behavior among nursing home residents and common practices that fail to identify its causes or address the problem how some staff resident interactions can produce suffering for all concerned with case study outlines that illustrate the point memory loss and its effect on spirituality self worth and the faith community pastoral care for people suffering with dementia with practical information on helping them to make use of the power of prayer and to deal with loneliness fear and disempowerment an insightful look at a recent major study of residents in aged care facilities in australia that explores the link between depression and spirituality risk and protective factors associated with suicide in later life and the treatment of depression pastoral interventions for depression and dementia

this book's main contribution is to say to us all there is no single solution no magic bullet no instant cure for the discomforts and illnesses of older age and that not all ageing is comfortable but it also tells us that it is in our control to do something about much of this that older people's mental well being could be vastly improved and that public policy and private attitudes need to change i hope that it is as influential as it deserves to be taken from the foreword by baroness julia neuberger former chief executive of the king's fund and author of not dead yet mental health issues amongst older adults are becoming ever more prevalent this fascinating book looks broadly at the mental health and well being issues that affect adults in later life taking a holistic approach to mental health and mental health promotion the book explores the debates around what is meant by mental health and mental illness and the wider social determinants of mental health all chapters have a common thread running through them each of which was identified as being a key theme for mental health and well being by adults in later life among them are issues relating to gender ethnicity societal diversity poverty class cultural differences a range of examples from the uk and other countries along with insights gained from older people's own perspectives are used to emphasise the evidence base for effective interventions to promote mental health case studies vignettes and quotes demonstrate how social theory and principles of health promotion can be effectively applied to improve practice mental health and well being in later life is key reading for those working or intending to work in public health health promotion and health and social care professions especially those who work with older people

this first truly comprehensive interdisciplinary international critique of theory and practice in lifelong learning as it relates to later life is an absolute tour de force alexandra withnall universities of warwick and leicester uk this is a book that needed to be written it provides a most thorough and skilful

analysis of a comprehensive range of contemporary literature about learning in later life from many localities and countries of the world peter jarvis professor emeritus university of surrey impressive in its scope this handbook seeks to describe older learning critically within the lifelong learning literature at the same time that it makes a strong and persuasive case for taking older learning seriously in our postmodern world kenneth wain university of malta lifelong learning in later life is an essential handbook for a wide range of people who work alongside older adults in varied contexts this handbook brings together both orthodox approaches to educational gerontology and fresh perspectives on important emerging issues faced by seniors around the globe issues discussed include the social construction of ageing the importance of lifelong learning policy and practice participation in later life learning education of marginalised groups within older communities inter generational learning volunteering and active ageing the political economy of older adulthood learning for better health and well being and the place of seniors in a learning society brian findsen is a professor of adult education faculty of education university of waikato hamilton new zealand his writings are usually constructed within a social justice framework such as the fourth sector adult and community education in aotearoa new zealand edited with john benseman and miriama scott in 1996 and learning later 2005 marvin formosa is a lecturer in the european centre for gerontology university of malta msida malta in addition to various articles focusing on critical educational gerontology recent and forthcoming books include social class dynamics in later life 2009 and social class in later life power identity and lifestyle with paul higgs 2012

while aspirations are most often connected to younger people this volume argues that people do not stop aspiring in older age aspiring in later life brings together rich ethnographic cases from different regions of the world offering original insights into how aspirations are pursued over the course of life and in contexts of globalization and mobility this book is also freely available online as an open access digital edition

first published in 1990 routledge is an imprint of taylor francis an informa company

this edited volume addresses diversity in sexual and intimate experience later in life 50 and captures international research and analysis relating to intersectional identities contributors explore how being older intersects with differences of ethnicity gender sexuality and class

this multi disciplinary and multi occupational work contains newly commissioned material and previously unpublished articles on mental health disorders that afflict the aged written to promote an awareness of the nature of mental health disorders found in older people it also discusses the pros and cons of current community health policies
