excerpt from a history of the massachusetts general hospital of the medical college the scene of a late fearful tragedy and in the background beyond the river the hill is crowned by the asylum a peaceful retreat standing forth from amid the foliage and shrubbery by which it is sheltered and secluded i have been permitted by the trustees to use a separate engraving of the asylum which has for several years belonged to the corporation the likeness of dr james jackson was also executed for this publication from a daguerreotype of

which it is a very accurate copy though the happiest expression has not been secured the engraving of dr warren is from an existing plate which he kindly placed at my disposal after the volume was in the press i learned for the first time that my friend and co trustee george m dexter esq had already prepared at great labor and expense large and elegant engravings of the interior and exterior of the hospital which at a future day he intended to publish with some description of the establishment historical as well as architectural of all these engravings he with great liberality offered me the free use this courtesy however i felt that i ought not to accept his intended publication he will as is hoped yet complete its design is truly magnificent and will not be superseded by the present compilation if indeed that shall be regarded as letter press worthy of accompanying his architectural illustrations i may well be satisfied about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
