although early zionist thinkers perhaps naively believed that anti jewish persecution would end with sovereignty anti zionism has become one form of the new antisemitism following world war ii because antisemitism has not been effectively addressed anti jewish rhetoric activism and deadly violence have flourished around the world in anti judaism antisemitism and delegitimizing israel editor robert s wistrich and an array of notable academics journalists and political scientists analyze multiple aspects of the current surge in anti jewish and anti israel rhetoric and violence contributors ben cohen r amy elman lesley klauff matthias küntzel nelly las alvin h rosenfeld and efraim sicher among others examine antisemitism from the perspectives of history academia gender identity and religion offering a variety of viewpoints and insights into disturbing trends worldwide the contributors provide a basis for further discussion and increased efforts to counter the increasingly vocal and violent hatred of jews and israel

bringing together an international team of scholars this book offers new perspectives on the impact that the bauhaus and its teaching had on a wide range of artistic practices three of the fields in which the bauhaus generated immediately transformative effects were housing typography and photography contributors go further to chart the surprising relation of the school to contemporary developments in hairstyling and shop window display in unprecedented detail new scholarship has detailed the degree to which bauhaus faculty and students set off around the world but it has seldom paid attention to its impact in communist east germany or in countries like ireland where no bauhäusler settled this wide ranging collection makes clear that a century after its founding many new stories remain to be told about the influence of the twentieth century s most innovative arts institution the book will be of interest to scholars working in art history design history photography and architectural history

the denial of the holocaust has no more credibility than the assertion that the earth is flat yet there are those who insist that the death of six million jews in nazi concentration camps is nothing but a hoax perpetrated by a powerful zionist conspiracy sixty years ago such notions were the province of pseudohistorians who argued that hitler never meant to kill the jews and that only a few hundred thousand died in the camps from disease they also argued that the allied bombings of dresden and other cities were worse than any nazi offense and that the germans were the true victims of world war ii for years those who made such claims were dismissed as harmless cranks operating on the lunatic fringe but as time goes on they have begun to gain a hearing in respectable arenas and now in the first full scale history of holocaust denial deborah lipstadt shows how despite tens of thousands of living witnesses and vast amounts of documentary evidence this irrational idea not only has continued to gain adherents but has become an international movement with organized chapters independent research centers and official publications that promote a revisionist view of recent history lipstadt shows how holocaust denial thrives in the current atmosphere of value relativism and argues that this chilling attack on the factual record not only threatens jews but undermines the very tenets of objective scholarship that support our faith in historical knowledge thus the movement has an unsuspected power to dramatically alter the way that truth and meaning are transmitted from one generation to another

an enthralling journey through time fashion and theatreland from hairdressing student in the early 1960s to theatrical wig creator for the biggest shows of our time over five decades from the west end to broadway box brownie to cinemascope my name is not wigs is the ultimate read for fans of witty behind the curtains memoirs especially those with a penchant for the bright lights of stage and screen tears and accolades aplenty a unique backstage story honest and good humoured like the author sir ian mckellen a glorious cavalcade of theatrical gossip and professional achievement in a department of our profession that largely goes unsung frances de la tour a wonderful read and so well written with plenty of fascinating stories sir michael gambon

a jogger out for an early morning run discovers nigel butler a hairdresser dead with a comb and scissors stuck up his ass upside down in a trashcan in front of the columbia library jimmy dugan the only detective in the small westchester town of columbia goes to the salon where nigel worked and discovers that one of his former clients a man he had a disagreement with is joey davies a retired mafioso and columbia s most prominent citizen jimmy s investigation into the murder takes a twisting path with some unusual consequences his family is threatened there s a shoot out in columbia the mob in a neighboring town is torn apart still whoever killed nigel butler remains on the loose

good hair day bad hair day hair has always evoked strong emotions in this fascinating book patricia malcolmson examines how british women over the past 150 years have managed their hair from the extravagant styles of the late nineteenth century to the anything goes attitude of today taking in along the way the daring bobs of the 1920s the wartime styles of women in uniform the slavish copying of hollywood stars the beehive the hippy and the goth in me and my hair you ll hear the voices of women from around britain talking about their hair whether it s their longing to have shirley temple curls the visits of the nit nurse their first home perm roasting under hood dryers going platinum blonde hilarious experiments with hair extensions or fears of going grey

in this book you will find my voice my vision and all of the advice i willingly and happily share with anyone who seeks me out sits in my chair and asks me for help i hope it inspires you to be confident and beautiful sexy and happy nick arrojo nick arrojo is known nationwide for his ability to give women hairstyles that bring out their individual beauty every week millions of what not to wear viewers see him transform women s outdated styles or unflattering cuts into fresh and contemporary looks most importantly he helps them to realize their true beauty potential he not only changes their hairstyles but changes the way they felt about themselves in great hair nick arrojo reveals his styling secrets so that women can better understand their hair type assess what hair styles will work best for their hair face shape and lifestyle and get a terrific new look great hair provides a complete education about hair including identifying your hair type and how that impacts cut color and styles including ethnic hair understanding products and how to use them to their best advantage a style guide with complete instructions on everything from blowouts to updos guidelines on choosing a flattering hair color that will enhance not overpower dispelling myths and outdated ideas about hair care featuring before and after shots of real women not models great hair shows how any woman can find a style that will make her feel and look terrific following nick arrojo s advice in great hair means no more bad hair days

join the fun for a rollicking romp through the hippy dippy days of the 60s into the disco drug addled decadent decade of the 70s as experienced by first year baby boomer francesca a reluctant and burned out hairdresser from when the nation s drugs of choice were lots of tranquilizers and booze it was the dawning of the age of aquarius everyone was trying to find themselves look out for number one and make peace at any price the fear of sputniks invasions from mars and fallouts topped the list of things scaring the hell out of everybody music changed from country and folk to rockabilly to rock and roll by elvis the pelvis then there was sweet soul music the british invasion and disco hairdos went from french twists beehives and barrel curls to the flip just in time for everyone to flip out tune in and turn on the big blue valium soon calmed the wave of high anxiety that was suddenly upon us you know the old saying about the 60s if you remember the 60s then you weren t there enjoy it s a keeper also included are a few poems and little life lessons we should learn to make this world a better place

brilliantly written this festive instalment of angela s life is as funny and enjoyable as ever closer

the story of a special day january 17 the special occasion gift they ll never throw away a whole book for the price of a premium card the story of a special day what happened in history who was born who died what happened on your special day from celebrations around the world to significant moments in history birthdays zodiac signs and all month events this ebook makes a perfect birthday present or anniversary gift one that will be kept and remembered long after an ordinary birthday card has been forgotten on january 17 in history popeye the sailor man first appeared the great brink s robbery occurred operation desert storm began january 17 is the birthday of benjamin franklin al capone vidal sassoon michelle obama kid rock susanna hoffs mick taylor eartha kitt muhammad ali jim carrey shari lewis james earl jones and betty white and january 17 is the day that chang and eng bunker the original siamese twins and chess grandmaster bobby fischer died january 17 is celebrated as kid inventors day in the us national day in minorca and ditch new years resolution day everywhere and those are just a few of the many reasons why
