a week to think a lifetime to love when a young attorney arrives on the big island with the goal of moving past her broken engagement and predictable life a brooding but sexy man is not what she expected but is exactly what she needs mia wants to move beyond the years of her life wasted in pleasing everyone else except herself she travels to hawaii where she can be alone where she knows no one and no one knows her but instead of the solitude she craves she meets a handsome stranger with the uncanny ability to see the person she wants to be love is for other people or so kekoa thinks the hawaiian surfer is no stranger to heartbreak or sacrifice he s all but given up on his dreams resigned to live the life his deceased father had planned for him and then a curvy and dark haired bundle of sunshine rents a room in his family s inn and everything changes maybe love isn t too much to hope for after all

this groundbreaking book is the only honest balanced and complete introduction to the frightening online eating disorder underground explore a world that no one wants to believe exists learn the secret code words debunk the myths find out why thousands of young girls are really flooding these sites and read hundreds of anonymous rants declarations of commitment and pleas for help from ana s girls this book does not promote eating disorders it exposes the undeniable fact that thousands of young people are struggling in isolation with very real life threatening disorders and we as a society have not been able to help them if we ignore this information we choose to ignore their cry and lose the opportunity to gain potent insight into their world ana s girls are our children our sisters our spouses our patients and our students they are represented in every class and race no community is sheltered from this pain no community is complete without their health let us take the first step towards becoming whole by hearing their cry

preventing harmful behaviour in online communities explores the ethics and logistics of censoring problematic communications online that might encourage a person to engage in harmful behaviour using an approach based on theories of digital rhetoric and close primary source analysis zoe alderton draws on group dynamics research in relation to the way in which some online communities foster negative and destructive ideas encouraging community members to engage in practices including self harm disordered eating and suicide this book offers insight into the dangerous gap between the clinical community and caregivers versus the pro anorexia and pro self harm communities allowing caregivers or medical professionals to understand hidden online communities young people in their care may be part of it delves into the often unanticipated needs of those who band together to resist the healthcare community suggesting practical ways to address their concerns and encourage healing chapters investigate the alarming ease with which ideas of self harm can infect people through personal contact community unease or even fiction and song and the potential of the internet to transmit self harmful ideas across countries and even periods of time the book also outlines the real nature of harm based communities online examining both their appeal and dangers while also examining self censorship and intervention methods for dealing with harmful content online rather than pointing to punishment or censorship as best practice the book offers constructive guidelines that outline a more holistic approach based on the validity of expressing negative mood and the creation of safe peer support networks making it ideal reading for professionals protecting vulnerable people as well as students and academics in psychology mental health and social care

numerous contemporary artists particularly female artists have chosen to examine the idealization of the female body in this crucial book emily l newman focuses on a number of key themes including obesity anorexia bulimia dieting self harm and female body image many artists utilize their own bodies in their work and in the act of trying to critique the diet industry they also often become complicit as they strive to lose weight themselves making art and engaging eating disorder communities in real life and online often work to perpetuate the illnesses of themselves or others a core group of artists has worked to show bodies that are outside the norm paralleling the rise of fat activism in the 1990s and 2000s interwoven throughout this inclusive study are related interdisciplinary concerns including sociology popular culture and feminism

en este libro colectivo de estudios sobre el cuerpo y venes autores de diversas disciplinas sociales han tomado el fructífero camino de la disidencia como estrategia para el análisis de procesos contemporáneos que evidencian la importancia de la materialización de los sujetos como producto de su experiencia de manera provocativa la práctica disidente conduce a pensar en los sujetos encarnados más allá de la normalidad o de los esquemas corporales hegemónicos quiénes son los sujetos obesos como pensamos e interpretamos a las chicas anoréxicas como explicamos la exclusión de estos sujetos desde donde entendemos a los enfermos y sus padecimientos como explicar la discriminación étnica racial y de clase en una sociedad que se asume diversa y democrática de qué manera reflexionamos en torno a la diversidad sexual y sobre todo de qué manera se enfrentan estas prácticas excluyentes y discriminatorias las prácticas corporales son de diversos tipos normalizadoras como las médicas de belleza de la educación sexuales de la violencia y subversivas como el tatuaje o la desnudez como la gordura o la delgadez la homosexualidad y la transexualidad nunca actúan solas se conjuntan entre sí constituyendo auténticos dispositivos por lo tanto todas ellas son disciplinadoras preformativas y en tal sentido materializadoras y productivas las prácticas corporales dan cuenta de la complejidad de la sociedad que las produce y de lo paradigmático de nuestras subjetividades
