cuidado be careful is one of the most frequent sayings i received along my urban life in brazil this dissertation focuses on analyzing the safety advice and warnings that i received in two urban places the middle class neighborhood in the south wing of brasilia and the favela rocinha in rio de janeiro where i

stayed most of the time putting myself as the method and as the subject auto ethnography is applied in this work to narrate my life experience from my position as a foreigner in brazil i make a comparison regarding safety and violence in two distinct urban places and discuss the urban space public security and violence in brazil as well as my own sentiments towards danger and fear throughout the exploration different elements in brazilian society are involved and elaborated on including gender age ethnicity class status place based identity social standing and family life

police torture in brazil

with people living longer all over the world ageing has been framed as a socio economic problem in brazil older people are expected to remain healthy and autonomous while actively participating in society based on ethnographic research in são paulo ageing with smartphones in urban brazil shows how older people in a middle class neighbourhood conciliate these expectations with the freedom and pleasures reserved for the third age work is what bonds this community together providing a sense of dignity and citizenship smartphones have become of great importance to the residents as they search for and engage in new forms of work and hobbies connected by a digital network they work as content curators sharing activities that fill their schedule managing multiple whatsapp groups is a job in itself as well as a source of solidarity and hope friendship groups help each to download new apps search for medical information and guidance and navigate the city together they are reinventing themselves as volunteers entrepreneurs and influencers or they are finding a new interest that gives their later life a purpose the smartphone which enables the residents to share and discuss their busy lives is also helping them and us to rethink the very representation of ageing

female headed households a growing segment of brazilian households are a heterogenous group that defies stereotyping while most are not poor a large number of the poor especially children live in these households the most effective antipoverty intervention is to focus on raising the income of the working women in these households special effort is also needed to encourage children in these households to stay in school

monograph on population and economic development trends in historical perspective in brazil examines economic history population growth from 1800 to 1970 slavery immigration internal migration structure of labour force rural migration growth and poverty of urban population fertility mortality population policy in development planning including employment and income distribution etc graphs references and statistical tables

working paper on the processes of urbanization in brazil examines land settlement patterns historical and geographical aspects living conditions in urban areas the role of central government and local government in urban planning regional planning and urban development housing projects responses to urbanization incl of

international organizations universitys and research centres etc graphs maps references and statistical tables

collection of essays comprising a general study of recent and contemporary brazil includes politics political leadership economy social structure social change trends in foreign policy private sector foreign owned investment industrialization economic policies geographical population distribution the planning and creation of brasilia religion cultural factors psychological aspects and the brazilian language

very often the reports and commentaries come from outside the countries and peoples of the region while much of the thinking about amazonia from within is not widely known or accessible

robin e sheriff spent twenty months in a primarily black shantytown in rio de janeiro studying the inhabitants s views of race and racism how she asks do poor african brazilians experience and interpret racism in a country where its very existence tends to be publicly denied how is racism talked about privately in the family and publicly in the community or is it talked about at all
