a reprint of one of the classic volumes on racetrack efficiency this book is the only one in its field that deals with the racetrack betting market in depth containing all the important historical papers on racetrack efficiency as evidenced

by the collection of articles the understanding of racetrack betting is clearly drawn from and has correspondingly returned something to all the fields of psychology economics finance statistics mathematics and management science

a day at the races with its colorful variety and fast paced action appeals to people from all walks of life not surprisingly the idea of going home with a few more dollars than when one arrived is part of horseracing's charm in this entertaining but substantive volume two distinguished economists who happen to be horseracing buffs outline a tested strategy for placing bets that will increase the reader's chances of a happy outcome at the track the authors are the first to point out that getting rich at the racetrack is unlikely they do maintain however that with attention to their systematic approach the racing fan can achieve the best possible chance at winning in the process the reader learns some of the most important measurement techniques in the social sciences as well as the basic methods of market analysis

exotic betting at the racetrack is unique as it covers the efficient inefficient strategy to price and find profitable racetrack bets along with handicapping that provides actual bets made by the author on essentially all of the major wagers offered at us racetracks the book starts with efficiency accuracy of the win odds arbitrage and optimal betting strategies examples and actual bets are shown for various wagers including win place and show exacta quinella double trifecta superfecta pick 3 4 and 6 and rainbow pick 5 and 6 there are discussions of major races including the breeders cup pegasus dubai world cup and the us triple crown from 2012 2018 dosage analysis is also described and used an additional feature concerns great horses such as the great mares rachel alexandra zenyatta goldikova treve beholder and song bird there is a discussion of horse ownership and a tour through arguably the world's top trainer frederico tesio and his stables and horses in italy related link s

best book on horse race betting revised and expanded edition best small investment that you will ever make an absolute must see krisracing.com designed for every type of horse racing fan horse race betting for beginners and beyond is tailor made for those who enjoy going to the races making bets and having fun in the process kris vemula a seasoned computer analyst puts his expertise to use in the exciting world of horse race betting in order to show you how to make money by placing the right bets imagine in a year you probably spend hundreds or thousands of dollars

making massive number of bets at different racetracks such a small investment is just nickels and dimes in comparison to how much you will learn and benefit nobody drills down deep each type of bet like i do with so many different angles and intricate details that are provided you will gain major insight review appreciated the way the author would not move on from a topic until he had explained it from several different angles i had wasted my money on the dummies book on the same subject and wish i had bought just this one it is written in layman s terms and is an easy read even a person from mars can understand it easily you will become a better bettor and you ll go to the track with confidence it s worth every dime and you ll get your money back in no time with your winnings book covers the massive number of areas including betting basics and advanced topics sample tickets typical scenarios charts and tables questions and answers general strategies specific strategies for each type of bet backup strategies to reduce any losses if you are over 18 years old and are looking for a smart way to get in on the action vemula explains everything you need to know to get the most return on your betting investment it is a must have guide for all fans of horse race betting is this book for beginners only no the last two words of the book title and beyond indicates that the book is for intermediate players too i can t tell you how many times i have heard both beginners and intermediate players saying oh i didn t know you could do that even if intermediate players know what bets mean they may not be using the most effective strategies they may still pick up few more tips that could benefit them greatly for chapters that involve each type of bet beginners can read up to the optional section afterwards if they are interested in pursuing beyond the basics they can continue reading rest of the chapter otherwise they can skip to the next chapter prior to making your bets you should know how much your bets cost no other book teaches you how to calculate costs in an easy way knowing how much money your bets cost allows you to manage your money better at krisracing com major races happening across the country are posted each week analysis on major races comments tips and suggestions upcoming events and lots of horse racing information

thanks to dr johnson professor of economics and thoroughbred racing scholar value betting has finally been achieved overlays can now be identified and bet with confidence the valuline is a breakthrough discovery in thoroughbred handicapping and betting because it eliminates the information gap between selecting horses and the decision whether to bet them it identifies those win contenders which are the profitable bets and those which are the losing bets save money by not betting on angles save money by not betting on underlays make money at the races betting overlays discover the overlays quickly

how to take advantage of recurring patterns in the results of horse race basic principles that govern racing results and the betting market mistakes commonly made by the general betting public and how to exploit them full details of betting systems used by professional gamblers that have made them millions how to predict and profit from new trends how to use computers to increase your returns from betting

issues for feb 1965 aug 1967 include bulletin of the institute of management sciences
