the collaborative effort of nearly 100 china scholars from around the world this unique one volume reference provides 89 in depth biographies of important chinese women from the fifth century b c e to the early twentieth century

whether willingly or unwillingly public celebrities are often the focus of discussion of moral matters and political causes but how does this sort of celebrity culture function in a country such as china with a powerful central state contemporary chinese celebrities explores how in today s china celebrity figures embody conflict with and engage with social civil moral and economic issues shenshen cai examines the state s governance of celebrity activism and the interplay between the propaganda machine and the stars analyzing examples of scandalous celebrities who act as activists in a moral domain which is tightly governed by the state cai also studies several sports stars who have emerged in recent years as political activists in china and their open defiance of the chinese political system that poses unprecedented challenge to the party s rule

the modern histories of china and japan are inexorably intertwined their relationship is perhaps most obvious in the fields of political economic and military history but it is no less true in cultural and art history yet the traffic in artistic practices and practitioners between china and japan remains an understudied field in this volume an international group of scholars investigates japan s impact on chinese art from the mid nineteenth century through the 1930s individual essays address a range of perspectives including the work of individual chinese and japanese painters calligraphers and sculptors as well as artistic associations international exhibitions the collotype production or artwork and the emergence of a modern canon

it probably goes without saying that anti monopoly law and practice are of very recent vintage in china in august 2008 118 years after the sherman act and 50 years after the treaty of rome china s anti monopoly law aml came into effect since then the enforcement of the aml has seen significant progress as well as considerable challenges this volume comprised of 27 highly informative contributions by more than 40 government officials academics economists in house lawyers and private practitioners introduces novice practitioners to the complexities of antitrust law in china and provides new insight for those already working in the field generally following the structure of the text of the aml topics and issues covered include the following an overview of the first five years of aml implementation the institutional framework for antitrust enforcement in china monopoly agreements between market players abuses of dominance committed by a single company problems and potential solutions for information exchanges between competitors the economics underlying retail price maintenance refusals to deal procedural and substantive practice of merger decisions the application of merger control to joint ventures administrative monopolies and the tension between competition and industrial policies ways to seek legal redress litigation both administrative and civil and the role of the courts international cooperation efforts made in relation to chinese antitrust enforcers the relationship between the aml and china s anti bribery rules the treatment of vertical integration or cooperation and how the aml rules apply to intellectual property rights throughout the book there are analyses of major judgments with key conclusions to be drawn from them as well as comparisons with

corresponding judgments in other jurisdictions this book is the first comprehensive analysis of the aml and as such will be of inestimable value to business persons and in house counsel as well as to academics in chinese law and competition law from a global perspective

de bijdragen in dit boek onderzoeken welke rol vrouwen van diverse religieuze achtergronden hebben gespeeld in revoluties en sociale veranderingen er wordt nagegaan hoe religies de deelname van vrouwen aan het sociale veranderingsproces stimuleren of belemmeren alle grote wereldgodsdiensten en hun verschillende lokale invulling komen aan bod
