attracting philosophers politicians artists as well as the educated reader edmund burke

s philosophical enquiry first published in 1757 was a milestone in western thinking this edited volume will take the 250th anniversary of the philosophical enquiry as an occasion to reassess burke s prominence in the history of ideas situated on the threshold between early modern philosophy and the enlightenment burke s oeuvre combines reflections on aesthetics politics and the sciences this collection is the first book length work devoted primarily to burke s philosophical enquiry in both its historical context and for its contemporary relevance it will establish the fact that the enquiry is an important philosophical and literary work in its own right

while seventeenth century london may immediately evoke images of shakespeare and thatched roof tops and nineteenth century london may call forth images of dickens and cobblestones a popular conception of eighteenth century london has been more difficult to imagine in fact the immense variety of textual traditions metaphors classical allusions and contemporary contexts that eighteenth century writers use to illustrate eighteenth century london may make eighteenth century london seem more strange and foreign to twenty first century readers than any of its other historical reincarnations indeed imagining a familiar unified london was precisely the task that occupied so many writers in london after the 1666 fire decimated the city and the 1688 glorious revolution destabilized the english monarchy s absolute power in the authoritative void created by these two events writers in london faced not only the problem of how to guide readers imaginations to a unified conception of london but also the problem of how to govern readers whom they would never meet erik bond argues that restoration london s rapidly changing administrative geography as well as mid eighteenth century london s proliferation of print helped writers generate several strategies to imagine that they could control not only other londoners but also their interior selves as a result reading london encourages readers to respect the historical alterity or otherness of eighteenth century literature while recognizing that these historical alternatives prove that our present problems with urban societies do not have to be this way in fact the chapters illustrate how eighteenth century writers gesture towards solutions to problems that urban citizens now face in terms of urban terror crime policing and communal conduct
