this multifaceted work contextualizes jesus in religion and culture by bringing together articles on folklore history literature philosophy popular culture and theology many books have been written about jesus but this two volume work takes a different approach than most what sets it apart is that it emphasizes jesus lasting impact on world history and his legacy in the imagination over 2 000 years written as an introduction the encyclopedia is equally suitable for christians who wish to better understand the history and philosophy of their religion and for non christians who wish to grasp christianity in its historical and social contexts alphabetically arranged entries cover representations of jesus in the bible and the writings of key theologians examining the essentials of philosophical and religious views across history the set also includes hundreds of entries that reflect on the role jesus has played in popular culture and contemporary vernacular religion perspectives that are not usually placed alongside theology through the encyclopedia students will see how artists writers philosophers church figures and others have imagined jesus and been influenced by their perceptions of him at the same time primary documents will encourage students to compare and contrast ideas and evaluate arguments that have arisen over 20 centuries

in literary narratives and the cultural imagination king arthur and don quixote as national heroes the author examines traditional arthurian and cervantine literary narratives to discuss how the two literary figures became paladins of their respective nations whereas the former bestows upon the homeland a positive image of britain based on military might a glorious past and a promise of return the latter contributes to a negative image of spain based on a narrative

of defeat and faded glory in the analysis of the political intentions behind the literature that gave wings to the rise as paragons of these very famous literary characters a semblance of the national imaginaries of the countries of their birth appears indeed the tradition of waterloo and the tradition of la mancha are polar opposites in their weltanschauung and they only have in common that both heroes arthur and quijote are depicted as paladins of justice benefactors and redeemers of their land of birth it is this idealized view of what is possibly the figment of a writer's or many different writers pen that astonishes the reader for behind it lies an intention to market for internal and external consumption both literary creations exceeding the boundaries of the creative fiction that invented them to transform them into myths and political symbols of their respective nations

traces the origin and growth of king arthur's historical and literary renown preface

since gunkel folklore studies have exercised a great influence upon theories of oral composition and transmission of the patriarchal narratives dr kirkpatrick subjects the underlying premises supporting many of these theories to a careful examination in the light of the most recent folklore research

this book first published in 1994 sets repertoire against raconteur in order to explore one of the world's largest collections of folk literature the author's findings and his creative and synthetic methodologies enhance greatly our understanding of the world of the legend and especially the basic question of who tells what to whom in the form of a legend and why this work is an in depth exploration of rural denmark and provides us with an excellent vantage point from which to understand legends in their cultural contexts and within the lives of their tellers

the book explores oakeshott's thought on the key role human imagination plays in relation to the political it addresses four main themes imagination foundational narratives the question of political societies identities as well as that of human living together to use hannah arendt's expression the book's main objective is to show that oakeshott may be rightfully understood to be a philosopher of the imagination as well as a foundationalist thinker in the arendtian narrative constructivist tradition
