seventh day adventists and the civil rights movement is the first in depth study of the denomination s participation in civil rights politics it considers the extent to which the denomination s theology influenced how its members responded this book explores why a brave few adventists became social and political activists and why a majority of the faithful eschewed the movement samuel g london jr provides a clear yet critical understanding of the history and theology of the seventh day adventist church while highlighting the contributions of its members to political reform community awareness the example of early adventist pioneers liberationist interpretations of the bible as well as various intellectual and theological justifications motivated the civil rights activities of some adventists for those who participated in the civil rights movement these factors superseded the conservative ideology and theology that came to dominate the church after the passing of its founders covering the end of the 1800s through the 1970s the book discusses how christian fundamentalism the curse of ham the philosophy of booker t washington pragmatism the aversion to ecumenism and the social gospel belief in the separation of church and state and american individualism converged to impact adventist sociopolitical thought

what role did religion play in sparking the call for civil rights was the african american church a motivating force or a calming eddy the conventional view among scholars of the period is that religion as a source for social activism was marginal conservative or pacifying not so argues johnny e williams focusing on the state of arkansas as typical in the role of ecclesiastical activism his book argues that black religion from the period of slavery through the era of segregation provided theological resources that motivated and sustained preachers and parishioners battling racial oppression drawing on interviews speeches case studies literature sociological surveys and other sources williams persuasively defines the most ardent of civil rights activists in the state as products of church culture both religious beliefs and the african american church itself were essential in motivating blacks to act individually and collectively to confront their oppressors in arkansas and throughout the south williams explains how the

ideology of the black church roused disparate individuals into a community and how the church established a base for many diverse participants in the civil rights movement he shows how church life and ecumenical education helped to sustain the protest of people with few resources and little permanent power williams argues that the church helped galvanize political action by bringing people together and creating social bonds even when societal conditions made action difficult and often dangerous the church supplied its members with meanings beliefs relationships and practices that served as resources to create a religious protest message of hope
