if there is one book you read on business make it this one realities of business misadventures and lessons learnt honest open and highly educational this book not only tells you the inspirational story of entrepreneur peter spinda but also educates you on the realities of owning and running a business packed full of invaluable educational content that will help you increase your chances of business success this is a must read by every entrepreneur over the past 15 years i have started managed and wound down several businesses i have had great success and have also experienced failure along the way i have learnt valuable lessons that have sharpened my business acumen and have made me understand the realities of business a man without mistakes is a man without success realities of business misadventures and lessons learnt is the true story of my journey within the world of business and provides real world advice from the lessons i have learnt in the first section of the book i tell you my story and give you an insight into the world of an entrepreneur the second section of the book looks at the invaluable lessons i have learnt from the misadventures many businesses fail within their first 5 years will yours be among this statistic taking you from the moment you decide to go into business right through the life cycle of a typical business i give you insight into what it is like to run a

business and the basic foundation knowledge you need to know and understand in order to maximise your chances for success some of the lessons you will learn in my book include lessons on personal development lessons on idea development lessons on business planning lessons on marketing lessons on sales and customer relationship management lessons on financials lessons on obtaining more cash lessons on winding down a business what do others have to say about this book i have read a lot of business books over the years and rarely do you find a book in which the author is so candid and forthcoming about their mistakes and failures peter paints a good picture on the world of the typical business owner and the lessons outlined have really made me think different about my own business and the way i operate it i highly recommend this book james t easy read to the point great information and very handy to have as a guide for any small business owner this is a must have on every entrepreneurs bookshelf steve s entertaining informative unique peter has a style which makes it simple to understand business concepts and his honesty is commendable marianne t

suddenly widowed with four children mary monroe took a spiritual financial and philosophical journey to discover the success that was always within her you can take that journey too learn the 7 lessons for success my mother taught me and discover what really works in life and in business you ll learn the following lessons your best investment is yourself a man s mind is like a garden do what you enjoy you will be good at it how money works free minds and free markets create wealth profit is better than wages and real estate is the only real investment zan monroe is an entrepreneur who started his first business at the age of 16 and his first corporation at the age of 21 he now oversees the operation of numerous businesses and corporations

against the grain is full of principles and ideas that you can apply to improve your business and your life taken from 15 years of running and exiting multiple businesses this book gives stories experiences and real world advice on how to take action on achieving your dreams how to build a business and how to create the life you ve always wanted key concepts the great law of the universe creating your vision and ideal the wolf you feed what i learned from addiction how we built a multi million dollar business marketing

business secrets positioned luck the abundance mentality the law of the harvest the power of paradigm how to take action on your goals excerpt if you're reading this book you'll get some tools and lessons i learned the hard way through life and business and hopefully there will be a few gems in here that you can take and apply to your life or your business moving forward my main goal of this book is to help you to get clear on what your vision dream and ideal is and to give you some actionable steps on how you can achieve that dream i chose against the grain as the title for this book because a most of my career has been all about leather and leather is classified by the type of grain it has i.e full grain top grain genuine etc b most of my life has been in a way against the grain of societal norms i haven't exactly gone the most straightforward direct route in life that a lot of people would probably choose to go c i want to challenge each of you to forget what the norm is and to have the courage to go against the grain in your own life to pursue your unique vision and purpose even if it is completely different than what you think may be expected of you it doesn't matter what type of job you are in or what type of goal you are working on these principles can help improve your life in any situation you may be in if you want to become the best janitor or the best teacher coach or ceo or if your dream is to make an impact by helping others in a positive way anyone can take these ideas and apply them to achieving their own unique dream or vision for how they want their life to look and to reach their own definition of success

covers various aspects of business from the entrepreneur's point of view this book provides advice on how to properly measure profit and what a really sustainable business looks like how to handle recruitment and not only why freelance is the future but how best to take advantage of it and the best time to sell your business

a guide to current best practice and new thinking at all levels and a directory of the wide ranging sources of information and support available to anyone involved in human resource development this revised edition covers new trends preparing for future skills requirements and applications
