Jane Goodall, world renowned primatologist, the 20th anniversary edition of the hilarious picture book that poses the classic conundrum to squish or not to squish with a meaningful message about the importance of caring for creatures big and small. This is a perfect gift for Earth Day. What would you do if the ant you were about to step on looked up and started talking? Would you stop and listen? That's what happens in this funny, thought-provoking book.
