since the late 1970s civil war has left sri lanka in an almost permanent state of crisis conventional histories of the country by liberal and marxist scholars in the last two decades have thus tended to focus on the state s failure to accommodate the needs and demands of the minorities the entire history of the twentieth century has been tied to this one key issue sri lanka in the modern age offers a fresh perspective based on new research above all the author

has written a history of the peoples of sri lanka rather than a history of the nation state

over 1 100 alphabetically arranged entries examine the history geography people government economy art and religions of sri lanka

this book provides an overview of the development of a small country which on the one hand is unique and on the other hand is also an interesting reflection and microcosm of the global economy sri lanka s development is one of the contrasts complicated by social conflicts and ethnic tensions social political economic and constitutional developments are considered this is in accordance with the sri lankan tradition of seeing the world as a connected whole the democratic socialist republic of sri lanka formerly known as ceylon is an island in the indian ocean approximately 18 miles off the south eastern coast of india with a population of about 19 million density is highest in the south west where colombo the country s main port and industrial centre is located sri lanka is ethnically linguistically and religiously diverse sri lanka follows a non aligned foreign policy it participates in multilateral diplomacy particularly at the united nations where it seeks to promote sovereignty independence and development in the developing world

the thirty year long civil war in sri lanka which ended in 2009 shook the island nation now there is peace rapid development and a new government but questions remain what do tamils and sinhalese feel about their new country what are their dreams for the future sri lanka the new country is insightful and unusual reportage from the dispassionate eye of a foreign correspondent who covered the bloody conflict for two decades it is anecdotal narrative at its best about ordinary sri lankans former tamil tigers meeting ltte chief v prabhakaran princes secular clergymen army generals tamil buddhists sinhalese tamils politicians and sailors wary of ghosts as the writer traverses sri lanka s formerly embattled north and east internationally stereotypes about the nation are challenged the book is a tribute to a wonderful people as they pick up the pieces of their fragmented national identity and get on with building a new country

culture smart sri lanka explains how to avoid cultural gaffes when out and about in the country giving the historical political and cultural background the guide reveals how to read body language and be aware of potential pitfalls in communication an

sri lanka in the modern age recounts the modern history of the island in an accessible yet unconventional manner where other histories have tended to focus on the state s failure to accommodate the needs and demands of minority communities wickramasinghe places their claims alongside the political

social and economic demands of other communities parties associations and groups tracing their lineages to the colonial period this updated second edition carries the book into the present covering the brutal end of sri lanka s civil war and the making of oppressive stability that has grown in its wake drawing on recent work as well as on her own research in the field wickramasinghe has written above all a history of the people of sri lanka rather than a history of the nation state

this book provides a broad picture of sri lanka s on going political and economic crisis as the culmination of several centuries of colonial and neo colonial developments the book presents the sri lankan crisis as an exemplification of a broader global existential crisis facing more and more debt trapped countries especially in the post colonial global south the book s in depth case study raises important questions pertaining to sovereignty and political and economic democracy in sri lanka and the world at large the book also explores the emergence of the crisis in the context of the accelerating geopolitical conflict between china and the usa in the indian ocean it ponders if the debt crisis economic collapse and political destabilization in sri lanka were intentionally precipitated to the advantage of the quadrilateral alliance usa india australia and japan moving beyond geopolitical rivalry the book juxtaposes sri lanka s political economic crisis with the broader ecological crisis of climate change and sea level rise the book concludes with a consideration of the ethical dilemmas behind the debt and survival crisis in sri lanka and across the world it points out a range of social movements and initiatives in sri lanka and the global south which subscribe to collective and ecological alternatives and a middle path of sustainability and social justice

describes the history government economy people geography and cultural life of sri lanka

fifty four images and more than ninety classic and contemporary texts introduce sri lankas recorded history of more than two and a half millennia

this book focuses on india s foreign policy towards sri lanka before the indo sri lanka accord isla in july 1987 and india s military intervention after the isla the post intervention developments brought strategic changes in india s sri lanka policy however after leadership change in both the countries india confined its policy to moral support and decided to abstain from direct intervention or involvement in sri lanka s domestic politics after the demise of the ltte and its leadership in 2009 india played a constructive role in rebuilding infrastructure in sri lanka the book also focuses on the developments of the relationships between india and sri lanka in the post ipkf period and the bilateral developments in the post ltte periods print edition not for sale in south asia india sri lanka nepal bangladesh pakistan and bhutan

this title is an examination of the everyday economy experiences and livelihoods in the context of sri lanka s civil war it argues that the war is grounded not just in the goals and intentions of the opposing sides but also in the everyday orientations experiences and material practices of all sri lankan people

sri lanka mineral mining sector investment and business guide volume 1 startegic information and regulations

this volume not only gives a clear account of the development of the tamil nationalist movement in sri lanka but uses the account to explore the relationship between state power and national consciousness the comparative focus incisive analysis and adroit blending of the theoretical and the practical illuminate the worldwide confrontation of state and nation and movements for autonomy and self determination bose provides a key to the study of modern nationalism comparative politics and international relations around the world

focusing on the historical events of post independence sri lanka s j tambiah analyzes the causes of the violent conflict between the majority sinhalese buddhists and the minority tamils he demonstrates that the crisis is primarily a result of recent societal stresses educational expansions linguistic policy unemployment uneven income distribution population movements contemporary uses of the past as religious and national ideology and trends toward authoritarianism rather than age old racial and religious differences in this concise informative lucidly written book scrupulously documented and well indexed tambiah trains his dispassionate anthropologist s eye on the tangled roots of an urgent present day problem in the passionate hope that enlightenment understanding and a generous spirit of compromise may yet be able to prevail merle rubin christian science monitor an incredibly rich and balanced analysis of the crisis it is exemplary in highlighting the general complexities of ethnic crises in long lived societies carrying a burden of historical memories amita shastri journal of asian studies tambiah makes an eloquent case for pluralist democracy in a country abundantly endowed with excuses to abandon such an approach to politics donald l horowitz new republic an excellent and thought provoking book for anyone who cares about sri lanka paul sieghart los angeles times book review

the study presents a comprehensive account of the current ethnic conflict between the sri lankan tamils and the sinhalese government staking their claim as the earliest immigrants into the island a claim challenged by the tamils the sinhalese in course of time assumed political sovereignty over the island including the tamils in the socio economic educational fields as well

the book examines the issues relating to the stalled peace process in sri lanka which was initiated after the cease fire agreement cfa of february 22 2002 between the government of sri lanka and the ltte the chapters look at the ground realities the intentions and capabilities of the players and suggest alternative frameworks for re starting the peace process there is consensus among the contributors that in order to strengthen the peace process it is necessary for the international community including india to engage both the players and encourage norwegian facilitation to address the concerns of all parties including the muslims who also have a stake in the outcome published in collaboration with institute for defence studies analyses idsa
